Reach out to that which has never belonged to you before. Touch and make yourself know the life on earth. Strange and proud it lies around you. Becoming part of it will free you. There's danger in letting go, too; you give up security and sanity. But where is beauty in life if you're not experiencing a kind of wild madness? Reach out with both arms to that which changes your existence into living!

How beautiful to find someone reaching out to catch you when you almost fall.

To step into something with no fear,
no hesitation, only love,
is the beginning of living.
Step into life, hand in hand
with laughter, love and work.
Failure may come, success will come.
Appreciate every experience, for each
brings you closer to the one dream
that you search for.

“ . . . illusiveness, the nearest thing
to my heart, the nearest thing
that could be nearer to me
than a butterfly's wing.
The way to love anything is to realize
it may be lost someday.”

Thoreau

People.

What else has such
a strength to build,
to destroy
with such power
in human existence.
A new beginning should
spring from every
unraveling thread.

Nature.

It has its own
character and strength.
Open all your senses
to that which has
so much to share.
Learn from the night moon,
from the old turning
branches of the trees,
from the gusts of wind
sending firm fingers
of cold through your coat.
Each character
distinct and unique,
just as each personality
seeks his own
expression.

Pick your own song from the turmoil.
sing it; dance it; live it.
The music!

"Midterms next week."

"Cripes, and wouldn't you know we're having a test in Bishop's class."

"Why is it forever raining here? God, you'd think it was monsoon season."

"It is."

Warm September afternoon,
Too bored for the library,
Too tired to go to a football game,
Too awake for sleep.

"What the hell am I doing here anyway?"

Yesterday you had it all together, you knew where you belonged, what you believed in, what was important and right for you. Then today suddenly you stand lost and alone, uncertain of everything, not believing or trusting in your existence anymore. The jar tips and spills out the last strands of your sanity. It fills with bitterness, with confusion and distrust.

You find yourself asking all the questions again and again. Aching, you're ready to end it all, so there won't be anymore pain . . . pain you give, pain you take, you're ready to stop trying to find your reason for being. Ready to let go of the dream you held in your hands.

"one must have chaos in one to give birth to a dancing star."

Nietsche

The chaos in your heart and head burn and burst.
It's raining outside.
Spreading flames and catching fire to all surrounding
The coolness washes you pure again.
Until you burn yourself out
And resurrect the dreams you had;
And in the calm that follows,
Giving you back your reason for living,
You come to know yourself a little better.
O, the peace in the dripping of the rain!

Night comes again.
One more day has gone by.
Dawn breaks,
one more morning opens.

Stand still. Hold on to a moment and cherish.
That moment will never be again.
Each day something dies, and yet something is born again.
Do not ask why. It is the way it must be.

And night comes again.

“. . . and when the night is cloudy,
there is still a light that shines on me;
shine on till tomorrow . . .
Let it be.”

McCartney

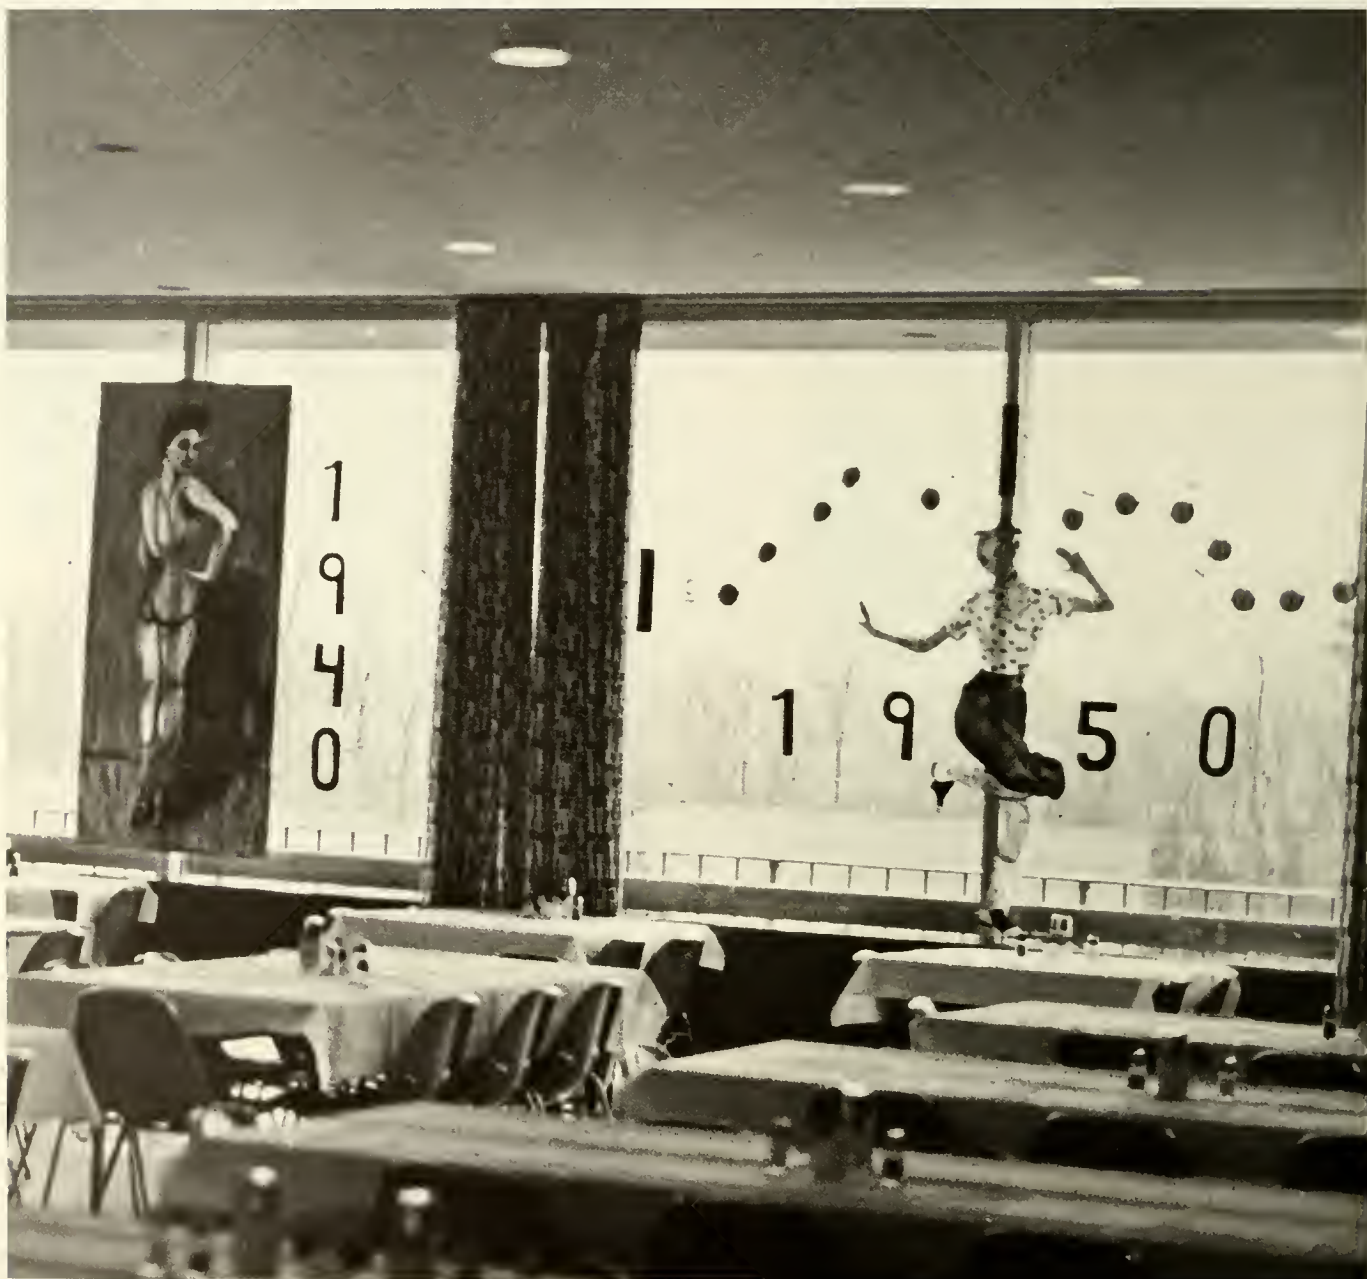

Open the windows of your eyes;
Stretch, as far as the hands of your mind
can grasp.

May Day 1972

Treasure Island, May Day 1972, was kicked off Friday morning, May 5th, at the annual May Day Convocation. Kirk Witmer, a senior at Simpson College, presented "Just As I Am — Mark Twain". Assisted by his wife, the program reflected the characteristic wit of the famous personality. Balloons escaped from the balcony of the auditorium to launch the activities of the highlighted weekend.

The Mini-trike race was the first competitive event of the day. Consisting of four women to a team, awards were made for fastest times and also for costumes. The Gold Diggers, consisting of Deb Hayn, Wendy Smith, Karen Beatty, and Melva Brewer, "rode" away with the prize for the fastest time. The creative dress award was won by Mary Miller, Jackie Frehse, Nancy Delagrange and Rean Donat, who called themselves the Captain's Kidds.

Following the trike race was the tug-o-war down at the Kenopokomoco. The Freshmen women (with some extra help) won the event. The Kangaroo ball race was captured by the Junior girls. The Spartan Spoketacular took place at 3:30, the biggest event of the day. Run in record time, the grueling race covered 100 laps of the track or 25 miles. The winning team, sponsored by Snyder's IGA consisted of Paul Sibray, Dick King, Fred Bullock, Doug Nottingham, and Bill Koleszar. The events of the day were completed by a picnic behind the Union, a dance in the Union featuring the Murphy Brothers, and the Tri-Alpha presentation.

Queen Mary Ellsworth is congratulated by Mrs. Helman.

Saturday, May 6th, on Treasure Island began early with the Little Theater rendition of "Snow White and Rose Red". Corresponding to the plot of the original fairy tale, the actors performed their characterizations to the enjoyment of the crowd. Culminating week-long anticipation, the coronation heralded the 1972 Queen of the May. Honored with this coveted crown was junior Mary Ellsworth. Members of her court included junior queen candidates Peg Bell, Jo Renbarger and Cindy Eshelman; freshman attendant Colleen Wagoner; sophomore attendant Rean Donat; and senior attendant Karen Zimmerman. Hosting Grace College in the afternoon, non-conference, track meet, the Spartans crushed the visiting team with a score of 117-37. Both Friday and Saturday evenings were climaxed by Tri-Alpha's musical presentation, "You're A Good Man, Charlie Brown." Following Saturday night's performance, Skyp Gullette was featured in the Oaks. The week-end proved to be a pirate's chest of enjoyment, pleasure, and reunion for all who "sailed to Treasure Island."

"You're a Good Man, Charlie Brown," taken from the comic strip "Peanuts," featured many of the lines from the newspaper comedy strip. The entire play centered around a day in the life of Charlie Brown and all his friends. This production was a warm, entertaining play that kids from one to 92 could enjoy. Songs such as "Suppertime," "My Blanket and Me," and "Happiness Is" charmed the crowd.

Orchestra personnel included Rachel Jamieson, Rick Kress, Reed Gratz and Randy Gratz. Set crew included Karen Crim, costumes; Jim Carey, lighting; Barb Foster, set; Denise Juday, properties; Sue Spiegel, tickets and house manager.

Even rabbits were welcome at Camp Mack but it probably did not have as much fun as Mark Albright and Tad DeLay did — after they found a “different” type of bunny!

Camp Mack Day

Getting ready to serve the ball, Matt Rohrbacher attempted to score for the freshman class.

The camera caught Mark Harvey and Jenni Buzzard not paying attention to the volleyball game.

A chance to relax from studies and daily routine was taken advantage of by Bob Knechel and Elaine Snyder.

Community Council sponsored another successful Camp Mack Day. High spirits remained throughout the day as faculty and students competed and forgot the cares of academic pursuit. When classes were called off, everyone headed for Camp Mack. Some ambitious people left early and rode bicycles. This year was the best turn out for cyclists with twenty pedalers including faculty and staff members starting at 6:30 that morning. After an early prayer service in the outdoor chapel, the festivities began. There seemed to be plenty for everyone to do. Activities included volleyball, softball or just walking alone or together. Everyone was involved in one way or another. The ideas of fun and relaxation were carried throughout the annual Camp Mack outing.

Barb Federspiel enjoys posing for the camera as she watches the actions of the volleyball game.

The faculty enjoyed participating in the Camp Mack activities, though Miss Sanger, Mrs. Johnson, Mrs. Garver and her son Dan decided to just watch.

Homecoming

The 1971 Homecoming Queen, Sharon Bushong crowned Sue Huff as the new '72 Homecoming queen.

The 1972 Homecoming began with an unusual air of excitement. Activities such as the sack races, greased pole climb, coronation, football game, dance and other athletic contests contributed to the feeling of anticipation. Even though Manchester College lost the football game to Hanover, the highlight of the weekend was the crowning of Sue Huff as this year's Homecoming queen. The theme, "You've Got a Friend", was very appropriate for the returning Alumni and future Alumni. But, it was a weekend to be enjoyed by all.

An extra point by Dan Butler added to the score but it was in vain as the Spartans lost to Hanover.

The Junior class begins its ascent to Victory in the greased pole climb.

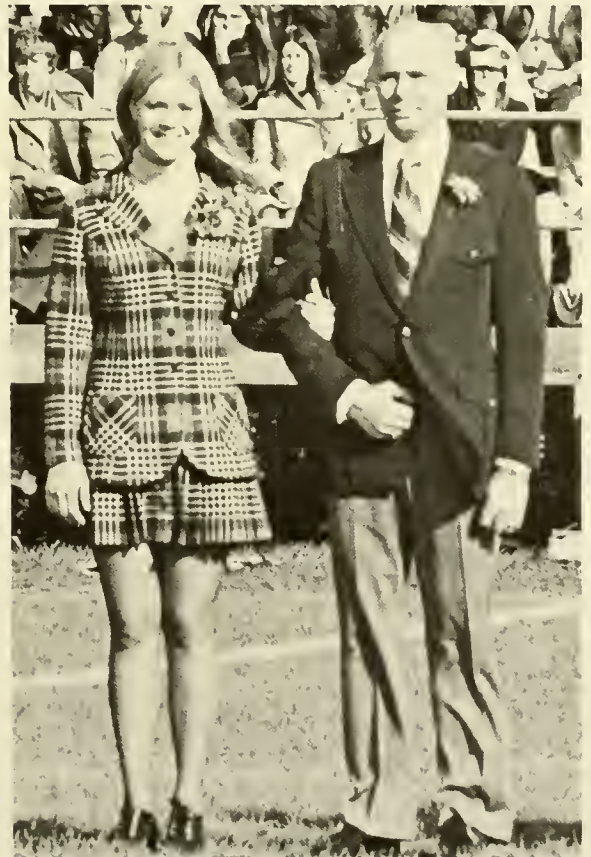

The happiness of being crowned Homecoming Queen showed itself in the face of Sue Huff. Ken York is her escort.

The displays, bonfire, pep rally, and the play were a small but important part of the Homecoming mood. Tri-Alpha's dramatic production, SPOON RIVER ANTHOLOGY, was presented both Friday and Saturday evenings. The sunny weather and warm smiles also helped the atmosphere for a successful weekend. Students and alumni made this Homecoming weekend memorable by their enthusiastic turnout and participation in the events.

First prize in the display category was won by PEMM Club as they effectively captured the theme in their display.

A proud father, Mr. Amstutz, escorted his daughter Deb, one of the sophomore attendants, at the half time Homecoming activities.

Half time activities were climaxed by Skyp Gullette's rendition of Carole King's "You've Got A Friend."

The crowning of the queen is patiently waited for by Peg Bell, senior attendant and her escort, Ken Fishbaugh.

Amidst games, picnics and plays, the most beautiful side of home — is the queen candidates and homecoming court. Despite the windy cold weather at the football game, the girls maintained their warm smiles during the half time ceremonies.

Sue Huff was elected the 1972 Homecoming Queen at half time of the Hanover-Manchester football game. Other contenders for the crown were Peggy Bell and Cindy Eshelman, both seniors. The rest of the court consisted of Junior, Rean Donat; Sophomores, Debi Amstutz and Colleen Wagoner; and Freshman, Cyndee Welch.

Even though the game was lost and the weather cold, the spirits remained high and the day was a success.

Spoon River

Mr. Robert Clymire directed his first dramatic presentation at Manchester College for the annual Homecoming Play. Edgar Lee Master's SPOON RIVER ANTHOLOGY proved to be a new experience not only for the audience but also for the cast. The play is a collection of epitaphs brought to life by the actors. The epitaphs came to life not only with words but through emotion and action. The actors and actresses worked together until they became an ensemble and knew each other's characters thoroughly. The cast was helped by Jim Carey, head of set crew; Don Stewart, head of lighting crew; Barb Foster and Dean Denner, in charge of tickets; Carol Wood, in charge of costumes. Sue Spiegel and Larry Tobias were the house managers.

The 1972 Breakaway festivities began Wednesday night with the M-Club date auction. On Thursday, Juniors won the Powder Puff football game by edging out the Seniors with one touchdown. The pie eating contest followed with Carl Kreighbaum devouring his pie in the quickest time. After the Friday night movie "Who Is Harry Kellerman And Why Is He Saying Those Terrible Things About Me?" a Pizza Party was held in the Union. The Saturday activities were highlighted by the "Masquerade Ball" and the crowning of Tim Kilmer as the 1972 Breakaway King. "Live and Well" played at the ball, at which time prizes were awarded for costumes. First prize for couples went to Ray Casey and Ann Miller, dressed as Raggedy Ann and Andy. Second place was awarded to Tom and Jan Hurst, alias Paul Bunyan and Babe, the Blue Ox. Gwen Adams placed first in the individual category with her crow costume and second place went to an anonymous nun.

Parents Week-end, November 10 and 11, promised to be a spectacular one as over 500 parents registered Saturday morning — the largest number ever to appear for this event.

Activities were planned to depict the many aspects of the theme "A Time For Us". Friday opened the week-end with the Student Art Show in the Winger Building, a dance in the Union, and a special Friday Nite at the Oaks program. Saturday brought an opportunity for parents to meet the faculty as all gathered in the Oaks for free coffee and donuts. The President's Reception followed. Anticipation and excitement persevered throughout the afternoon as the Spartans conquered Anderson 33-18 in a high scoring football game. Half time entertainment featured the Madrigal Singers in their presentation of music from 1890 to 1972. Dixie High School Band entertained the crowd of parents and high school students as well.

A Capella Choir and the Jazz Band ended the week-end festivities Saturday night with a very stimulating concert and variety show.

Decorations in the Oaks and the Union added in preserving the moods of yesteryears and aiding in making this an enjoyable week-end.

Dr. Gary Deavel pleased the audience with his performance on the harpsichord.

Holiday spirit was ignited around the Manchester campus early in December as the combined music groups gave their annual Christmas concert on December 3, 1972.

The A Cappella and Chapel Choirs along with the Women's Glee Club and the Civic Symphony Orchestra each took turns presenting musical pieces of their own. Chapel Choir began the program with "Fanfare for Christmas," by Shaw, and "He is Born," arranged by Wagner, and continued with other religious songs and a percussion accompaniment. The Women's Glee Club followed with their rendition of "Four Carols" by Diemer. A Cappella Choir then appeared with such songs as "Glory to God in the Highest," by Thompson, and "Lirum, Lirum." The Choral Society performed Bach's "Magnificat" as the grande finale of the sacred and secular concert.

Winter Festival

"Hazy Shades of Winter" was the theme of the 1973 Winter Festival. Many activities such as the Broomstick Hockey Games and the Snow Sculpture Contest were hampered by the lack of snow. The Ski Trip to Swiss Valley had to be postponed until weather conditions would be more suitable. But the adverse weather did not dampen the enthusiasm for the rest of the scheduled activities.

The festivities began Tuesday afternoon with the Sled Race which was won by the team composed of Randy Hauke, Rich Carr, Jack Jarrett, Hal Kerchensteiner, and Kim Porter. This was followed by an old fashioned Square Dance that evening in the cafeteria.

Saturday afternoon's basketball game produced an enthusiastic crowd; but it was not quite enough to get Manchester by Defiance.

Wednesday evening festivities brought the Cake Walk and the Prof. Auction to the attention of many spirited students. Profs were auctioned according to the appealing goods they had to offer. Final bids ranged from \$15 to \$20. The Cake Walk was conducted in the manner of musical chairs with baked goods being given to the winning persons.

The movie "Airport" was viewed both Thursday and Friday nights. After the flick on Friday, free hot chocolate and donuts were served in the Oaks.

The basketball game on Saturday afternoon was a real thriller with Defiance edging Manchester by a two point margin in overtime, 88-86. Entertainment for that evening was provided by Ethos in Concert. On Sunday afternoon, a chili supper concluded the week's activities.

Saturday night's concert was presented in two parts. The evening began with an acoustic guitar player who sang many of his own creations. He was followed by Ethos, a progressive rock group which concentrates on electronic sounds.

Throughout the Winter Festival week, the Ugly Man Contest was taking place. Students voted for their choice of the ugliest man in costume by putting money in his can. The final decision went to Dean Jan Thompson who collected \$58.00. The weeks events were highlighted by the fact that all proceeds went to the March of Dimes Campaign against birth defects.

Convocations

Convocations were many and varied during the 1972-73 school year. Politics played an important part in the early fall with such candidates as Earl Landgrebe and Floyd Fithian. Other presentations were Dale Brown on radical Christianity, Dr. Rollo May, and the annual Christmas convo. A new innovation was the civilization film series. These were not only interesting but an attempt to get students interested in the arts. The senior series were again welcome this year as outstanding and talented seniors presented their own convocations.

Dale Brown mingled with faculty and students after his presentation.

Gerald Unger and his timpany feature proved to be one of the more interesting convos.

The Christmas convocation featured the Women's Glee Club and Pastor Bob Knechel.

Public Programs

The Manchester College Public Program Series for 1972-73 consisted of five programs of various artist-lecture interests. The programs were geared to serve the cultural needs of the community and were open to all college and community members.

The Arbors, a singing group, appeared on October 24, 1972 to begin the series; a brother-sister folk singing team was featured on the same bill. November 14, 1972, featured the Indianapolis Symphony Orchestra on campus. Senator Gale McGee presented a lecture on February 13, 1973. The National Players presented "Tiger at the Gate" on March 13, 1973. On April 11, 1973, the Butler University Ballet members presented their tour production.

Associate conductor Oleg Kovalenko appeared with the Indianapolis Symphony.

The Arbors, two sets of twin brothers, included a variety of songs in their repertoire of entertainment.

1972 Golf Team Captures Conference Crown

The 1972 golf season proved to be a very successful one for the Spartans. Led by seniors Andy Butterbaugh and Ron Karn, the team ended the season as Hoosier-Buckeye Conference champions. Butterbaugh was the team medalist with an average of 77, and teammate Karn carried the second lowest average at 78. With four members of this champion squad returning, the Spartan followers can look forward to another fine season.

Slugging and Defense Key to Winning Season for MC

Power hitting and near errorless ball were the trademarks of the Spartan's 1972 season. During the first half of the season the diamond-men showed promise for one of the greatest Manchester seasons. But a fluke game with Anderson and a bad trip to Taylor turned a potentially great season into only an average season.

Senior first baseman Bob Speicher was the most consistent defensive fielder with a fielding average of .992. He was aided by Steve Neff, Rick White, Jerry Hocker, Jack Wood, and Dan Butler, who all fielded over .900. As a whole, the Spartans fielded .886.

The Spartan offensive threat was led by freshman shortstop Jack Meek with a .434 batting average. Also adding power to the lineup were Jack Wood, Bob Speicher, Rick White, Ron Caruthers, Mark Miller, and Steve Neff, who all batted over .300 for the season. Speicher led the team in home runs and runs batted in with 4 and 15 respectively.

The mound duties were shared by several Spartans. Freshman Dan Drotar had the best won-lost record of the moundsmen at 3-0. Senior Rick Dubach led the team with 34 innings pitched and an E.R.A. of 3.44. The relief work was handled by righthander Sam Lower.

Junior Steve Neff connects again on his way to a .345 batting season.

Player Profile

RONALD CARUTHERS, sophomore catcher from Gary, Indiana, throws and bats righthanded. A good defensive fielding average of .800 makes his presence in the Spartan lineup noticed by opposing batters and baserunners. His .350 batting average makes Ron a good all-around catcher.

BOB SPEICHER, a first baseman from Wolcottville, Indiana was an all-conference selection in his junior and senior years. He is a powerful hitting Spartan, with an average of .367. He is also one of the finest first basemen to play for Manchester with a defensive fielding average of .992.

TIM RYDER, sophomore outfielder from Richmond, Indiana, bats and throws righthanded. He is a dedicated ballplayer with good speed for the outfield and fielded .824.

DAN BUTLER, junior outfielder from Detroit, Michigan, has great speed and very quick reflexes. He is a good defensive ballplayer with an average of .962. He bats and throws righthanded.

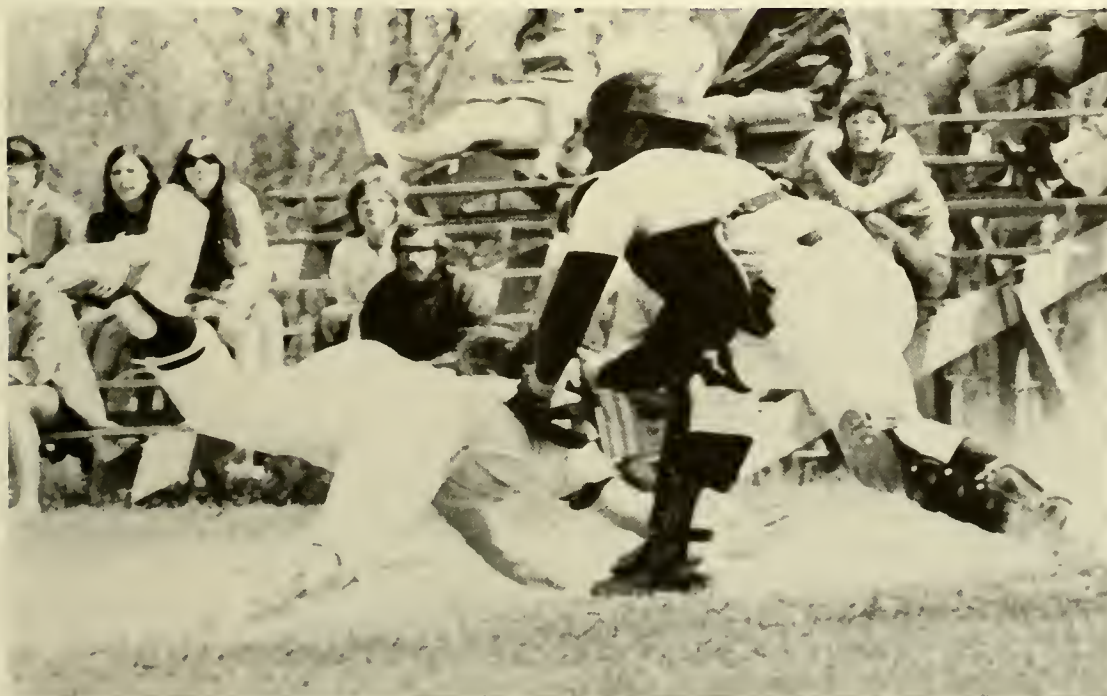

DAN DROTAR, freshman righthand pitcher from Crown Point, Indiana, pitched in three games before suffering a shoulder injury. His record was 3-0. His great poise will be an asset to future Manchester baseball teams.

JACK MEEK, hometown product from North Manchester, Indiana, throws and bats righthanded. He batted .434 and fielded .899 and was chosen for the all-conference team.

STEVE NEFF, junior third baseman from Nappanee, Indiana, has started at third base for the last three years at Manchester. His defensive ability is second to none at the hot corner. He fielded .978 and batted a solid .345.

RICK DUBACH, senior righthanded pitcher from Geneva, Indiana, has been the No. 1 pitcher at Manchester for the past four years. Rick was well known for his drop ball and good, long ball hits. He batted .308 and fielded .889, and was picked for the all-conference team.

Sophomore Ron Caruthers stops the runner attempting to score at the plate.

3rd in Conference — 2 Records Fall

Last spring the Manchester Track team, under the direction of Coach Don Meek, completed another successful season. Two records fell during the course of the season and the Spartans finished third in the Hoosier-Buckeye College Conference. Two members of the team, Fred Bullock and Bill Koleszar were All-Conference selections for Manchester, in the high jump and the 440 yard run respectively. Fred Bullock and Scott Manges qualified for the All-District 21 NAIA Team, Bullock again in the High jump and Manges in the Steeplechase.

Fred Bullock goes high to clear the bar as President Helman looks on. Fred set a new school record at 6 feet 8 $\frac{1}{4}$ inches this year.

Scott Manges ran Steeplechase for MC. His best time was 9:45.5.

In the season opener at Taylor, the MC cinder men scored 53 points which was good for second place in the quadrangular meet. The meet was won by a strong Taylor team scoring 107 points. At a distant third was Defiance with 25 points who edged out Marion, who had 8 points. In the next meet of the season MC buried Tri-State in a home meet 104-41. Earlham came to Manchester and also fell victim to the MC squad, 105-40. Next on the slate was the Ohio Northern Relays. The Spartans placed 5th out of 8 teams. The following Saturday MC again placed 5th out of 8 teams in the Hillsdale Relays. At the Big State meet Paul Sibray set a new MC record in 880 yard dash, running the two laps in 1:59.4. Grace challenged MC the following Saturday in one of the many events of May Day Week-end. Manchester rolled over Grace 117-37. The last dual meet of the season the Spartans were defeated by Butler University 69-85.

In the conference meet which was held at Hanover, Bill Koleszar and Fred Bullock each won their respective event. Bill turned out a blazing 440 time of 50.2 seconds. Fred set a new school record in the high jump by clearing the bar at 6 feet 8¼ inches. MC placed third as a team.

Duane Theime led the Spartans in total points for the season with 61 points and was also selected Most Valuable Trackman. Paul Sibray was the Honorary Captain for MC.

With New Strategy at Mid-Season Spartans Put It All Together

In what started out to be a seemingly disastrous season, the Manchester Spartans, who were at one point in the season 1-5, finally pulled themselves together. With renewed confidence and desire they literally trounced over the remaining opponents, including league-leading Bluffton and ended with a respectable 5-5 overall record and 4-3 conference record which was good for a 3rd place tie with Wilmington College. Though the Spartans registered only 5 wins they certainly couldn't be considered one of the pushovers as witnessed by the conference leading Bluffton Beavers and Findlay Oilers. Though costly mistakes hampered Manchester in the early going, in the end it was the other teams that were making mistakes and the Spartans who had truly "put it all together".

The Manchester Spartans had a long, sad, ride home as they lost the season opener to the Adrian Bulldogs on their home field 36-6. The Bulldogs avenged last year's opening game lost to the Spartans 21-6. The game counted as a conference match.

The second game was also away and in Michigan as the Spartans lost to a mediocre Dutchman team 21-14. The first half was a see-saw battle as Hope scored first on a 41 yard drive with Manchester retaliating on a 67 yard scoring drive. The Dutchman capitalized on a Manchester fumble for their second score while the Spartans countered with another 67 yard scoring drive to close out the half. A Manchester fumble turned out to be the tie-breaker and winning margin for the Dutchmen mid-way through the 4th quarter as last minute attempts to score were wrecked with a Dutchman interception.

The Manchester Spartans, "fired" after two consecutive losses on the road, defeated the "undefeated" Findlay Oilers in the rain, on a wet and soggy Monday night. The Spartans generated 273 total yards offense, 209 rushing, as they whipped the Oilers 13-10 in a game once cancelled because of rain. The Oilers were ranked 6th in the nation in NIA.

There were many moments of frustration and disappointment during the early season. Junior Brad Baumgardner is shown here searching his thoughts while on the sidelines, for that one elusive element that will bring the Spartans together.

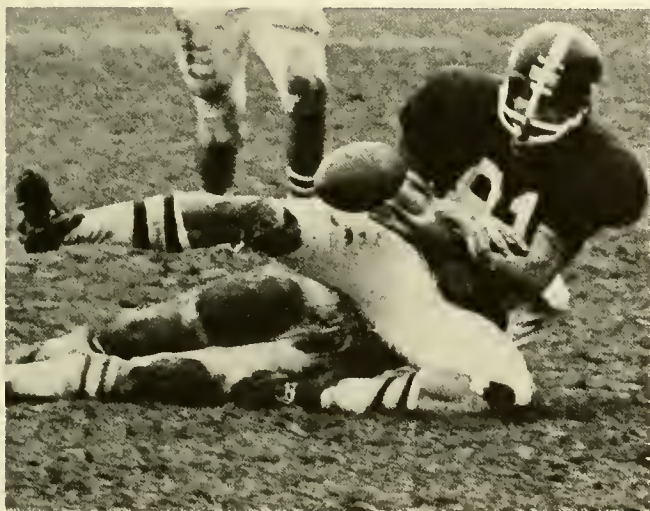

Senior quarterback and co-captain Steve Bryant drops back to attempt a pass against Taylor. Steve suffered a knee injury in the Hanover game and was sidelined the remainder of the season.

Sophomore Roland Jones returns a kickoff against Hanover College. Jones averaged 19.5 yards on kickoff returns.

Taylor digs for yards in the TU "Mudbowl."

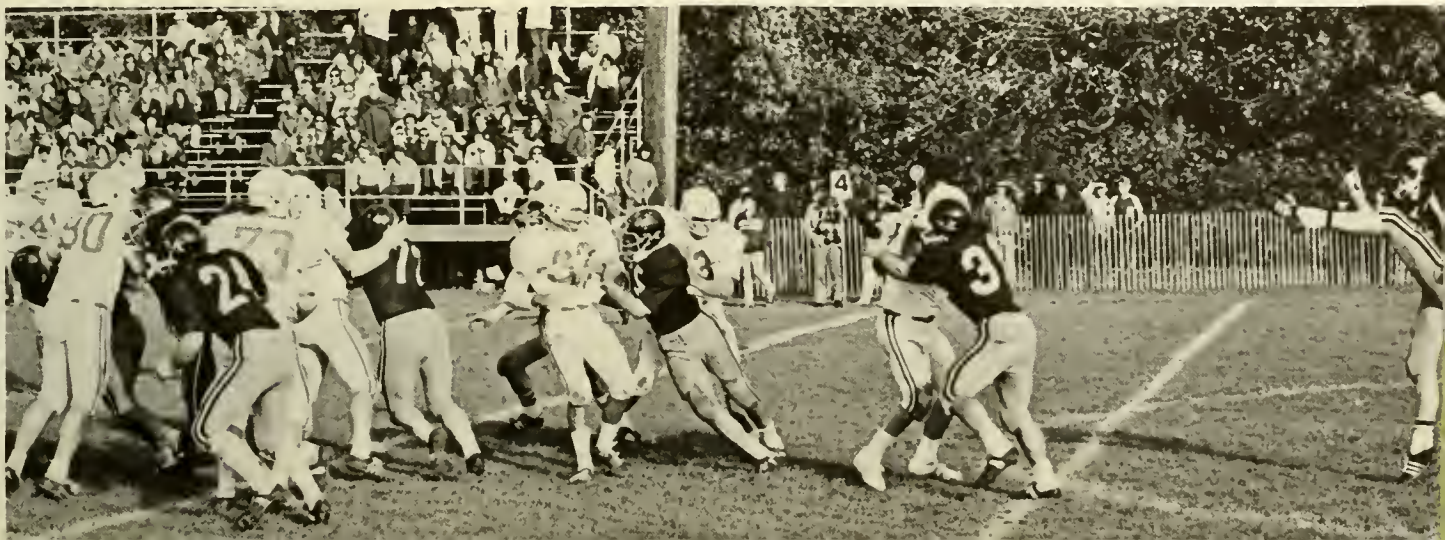

Freshman Sam Dewey struggles to hold onto a pass in the Grand Valley game.

The annual grudge match against the Taylor Trojans could have been dubbed the "Mudbowl" as Manchester slipped to another defeat by sloppy-footing and ball-handling. The Spartans lost 3 fumbles, one which resulted in a Trojan touchdown and another to their last period field goal. The Spartans could only score once in the second half, but could not overcome the half time deficit and were handed their third loss, 17-7.

For almost three-quarters of action, the determined Spartans stopped drive after drive of a mistake-prone IC team. In the first half, the Spartans were able to capitalize on a Dan Butler interception with a Taylor touchdown and the MC gridders held off IC to take a 7-0 lead into the second half. However IC, after having good field position all day, finally scored. Then after receiving a partially blocked punt, IC took four plays to score the winning TD. This was a bitter defeat for MC for it came with only 1 minute remaining, in a game that had seen the Spartans turn back IC for three-quarters of play.

Gary Heller dives over his blocker to assist Terry Buchanan (No. 41) and Carl Kriegbaum (No. 43) in stopping a Grand Valley runner.

Defensive captain Fred Bullock, all-HBCC, patiently waits for another play to start. Fred is undoubtedly the best linebacker to ever come out of Manchester — certainly the most feared.

Senior tight-end Steve Zehr is finally brought down by Hanover defenders after getting first down yardage on a delayed-pass pattern.

The next weekend was Homecoming for the Spartans. Mistakes and poor execution again riddled the game. Hanover capitalized on two MC fumbles and one short punt in putting together a 22-7 victory against the home team. The statistics of the game frustrated the coaches the most, as MC again gained more total yardage than their opponent.

Manchester knocked off undefeated Bluffton in game no. 7 to chalk up victory no. 2. Defense was the theme of the day as Bluffton was held to 107 yards rushing and 12 yards passing. Junior Tim Kilmer and senior Dan Butler both had key interceptions; Kilmer's on MC's 10 yard line at the end of the half and Butler's in the final minute of play to ensure a victory. Dan Taylor ran for 66 yards and scored both of Manchester's touchdowns.

The Grand Valley Lakers looked all wet when, on the first play from scrimmage, Dan Taylor electrified the crowd by taking a Gary Goshert handoff and romping off-tackle for a 69 yard Spartan score. Taylor scored a second TD after a 45 yard Goshert-to-Lower pass. Freshman Mike Wesolek scored the remaining MC touchdown. The defense played a perfect game and held the Lakers scoreless. This victory gave the Spartans two victories in a row.

Earlham's Quakers had their best offensive game of the season as they churned out 310 total yards and 23 points in Manchester's 9th game of the season. However victory wasn't to be denied as the Spartans recorded their 3rd win in a row. Manchester's offense was immaculate as they rushed for 351 yards and passed for 66 yards, making a 417 yard total. Super-back Taylor "bulldozed" for 243 yards and two touchdowns while Roland Jones added 71 yards and two downs to close out the scoring for the Spartans. QB Goshert directed all traffic and was 100% in passing, all to Sam Lower.

The season finale saw Manchester play its best game of the season as they ripped the Anderson Ravens 33-18. Spectacular described Manchester's offense as they scored on the first play of the game as Sam Lower played receiver and passer on a Goshert-to-Lower-to-Taylor pass for 85 yards and a touchdown. Manchester seemed to score at will with token opposition as offense and defense combined to insure a lead they never relinquished.

When things get tough, and there's no explanation for why plans keep falling through; when you think you've given your all, and you still get knocked on your back; when what you need is encouragement, but your supporters lose faith in you; when your challenge seems insurmountable, and you're up against the wall . . . You have to reach deeper . . . deeper within your own being and find that confidence that makes a man a champion.

Dan Taylor raises arms in jubilation as he anticipates an easy touchdown, this one on an 85 yard pass-run from split-end Sam Lower on the first play of the Anderson game. Dan "The Hawk" Taylor rushed for 924 yards on 202 carries, good for second in the conference. He also scored 10 touchdowns and caught 6 passes for 163 yards.

The sweet taste of victory! Spartans "put it all together".

Alma eyes the action on the field.

Varsity Cheerleaders

The cheerleaders for the 1972-73 season were kept very busy throughout the year at various athletic events. Mona Overmyer was the captain, a junior this year. Freshman Laura Hoal served as the co-captain. Rounding out the rest of the squad were Debbie Plunkett, sophomore; Shirley Cary, freshman; and Alma Chapman, freshman. Not only busy during the games, these energetic women made and distributed posters during the pre-game week. Enthusiasm was generated about the campus, especially for football, basketball and soccer games.

MC Soccer Comes of Age

The 1972 soccer season made two points very clear to Spartan fans. Soccer, as the Europeans have known for years, is an exciting team sport, and it's here to stay at MC. In this, the third year since its initiation at Manchester, and only the second year as a varsity sport, soccer has progressed swiftly.

Coach Hastings and the Spartans opened their season against Marion College in a losing effort. However after being down 0-3 at half time MC staged a tremendous comeback effort before finally losing 3-4. The team was not a loser for long as it defeated IU-Purdue in the next match. The Spartans played their best first half of the entire season, completely dominating IU-Purdue. The second half was a different story as IU-PU came back and the final score was uncertain until Dan Drotar kicked the winning goal with 14 seconds to go. The Spartans won the match 4-3 but it was a costly game. Two of MC's starters Dave Sollenberger and Dave Priser suffered broken bones and were sidelined for several weeks. The following Tuesday MC played away from home against a spirited Grace team. A very muddy field, the loss of Sollenberger and Priser, and a fired up Grace team led Manchester to defeat in their poorest showing of the season, 1-7. Manchester next faced a tough Goshen team.

The "kickers" held Goshen scoreless until they scored with only thirty seconds to go in the first half. The second half saw Goshen score twice on penalty kicks and defeat the Spartans 3-0 in a hard-fought match all the way. The first night game for Manchester, against Huntington, was the turning point in the season for the Spartans. With only 1:30 left in the game the powerful toe of Dan Drotar again kicked the winning goal. With the Huntington victory, MC won five of its remaining seven games. The St. Francis game was the high point of the team's season, as Manchester completely dominated the game with teamwork, excellent passing and hustle, and a winning score of 7-1. In the second meeting with Goshen, MC played one of the best over-all games of the season, but still were unable to upset the previous year's number one Indiana College team. Goshen scored a penalty kick in the second half which proved to be the winning goal, 2-1. Down 0-1 at half time MC dominated play the second half and came back to bury IU-PU 5-1 in a game marred by several fights and saw one Spartan, fiery Myron Hostetler booted out of the game. The next contest with Defiance was a see-saw offensive game in which the Spartans came out on top with a score of 5-3. Played in a rainstorm and under muddy field conditions, MC lost their second meeting with Huntington 5-2.

Myron's strategy at work.

In his last game for MC, senior Co-Captain Don Shankster scored a hat-trick, as he tormented Indiana Tech by scoring all of Manchester's goals. MC won the match 3-0, as Shankster was the only player to score.

The season ended with the Spartans posting an overall record of 6 wins and 5 losses. Senior Co-Captains Kent Arnett and Don Shankster were selected to play in the Indiana All-Star game. The MVP award was a tie between Don Shankster and Greg Sefchek.

Coach Hastings stated that he was very pleased with the season, and prospects for next year's team look good with 15 returning lettermen.

Senior Co-Captain Don Shankster was voted MVP along with Sefchek. Don also was tied for third leading scorer in the state and played on the Indiana All-Star team.

Tennis Has Winning Season Moves to Spring

The spring tennis team of '72' comprised of John Holsinger, Dave Geiser, Brent Grawcock, Greg Miller, Mike Hasselbring and Stan Pierce won the NAIA District 21 playoffs. In doing this, the Spartans earned an invitation to compete in the NAIA national tournament at Kansas City. This fall, the Spartans posted a 7-3 season and finished second in the HBCC conference. The team was led by senior John Holsinger, who was undefeated, and junior Dave Geiser. The other members of the squad included Jack Meek, Greg Miller, Mike Hasselbring, Stan Pierce, Gary Hopkimier, Mike Mayne, Jeff Kaiser, Dusei Chou, John Cox, James White, and Willie Say. John Holsinger and Dave Geiser were the two Spartans who placed on the HBCC All-Conference team for MC.

Senior Honorary Captain and MVP selection John Holsinger was undefeated this season.

Senior Stan Pierce finished with a 5-4 record.

The Spartan Tennis team has been known for two things: Its ability to win, and its ability to "hot dog".

Because of Med-school plans, this was Greg's last season. His record was 5-5.

In addition to All-Conference honors, Holsinger received honors for being the Honorary Captain and Most Valuable Player of the Spartan Tennis team. In the HBCC Tournament Holsinger was the number one single winner. Also Holsinger and Geiser teamed up to be the number one doubles winner. Holsinger's toughest battle was with Hambrick of Earlham College. They had three sets of 7-5, 5-7, and a tie breaker 7-6. Geiser also went three sets in the Earlham meet.

Looking ahead, Coach Stan Weller stated, "We will be going to spring tennis starting next year which means there will not be any more varsity competition until the spring of 1974." He explained that the idea of moving tennis to spring was passed on a 5-4 vote of nine schools' athletic directors.

Coach Don Meek and the 1972 Spartan Cross Country team finished with another fine season. Dedication, distance, and depth told the story for this year's team. Scott Manges, in his second year at Manchester, again led the team through a rough schedule of opponents. The team opened the season with a double-dual meet against Defiance and Grace. On the first of what would prove to be many rain-soaked meets, the Spartans easily defeated their opponents, 19-40 and 15-50 respectively. The following Wednesday, Manchester upset a strong Butler team, by winning the Butler Invitational. The next victim of the determined Spartans was also the first conference team the squad faced. The meet was run in a torrential rain, which made the always difficult Manchester course even more treacherous. The team won the meet by a score of 21-38. The co-captains Paul Sibray and Bill Koleszar then led the team to a victory over Grace.

The Spartans put their undefeated season on the line as they prepared to face a strong Taylor squad. Running on a mushy Taylor home course the Spartans lost for the first time of the season. However it should be noted that the 34-25 score is as close to beating powerful Taylor as MC has come in recent years. Shaking off the disappointment of the loss the following Tuesday, MC finished fourth in a tough Taylor Invitational which fielded ten teams. Freshman Ed Minnick was injured with a spike wound in the meet and the talented rookie was side-lined for the next week. Without Minnick, who had been running in the number three spot most of the year, MC placed eighth in the Marion Invitational. The following Tuesday the squad fired up to place fifth in the Earlham Invitational. Homecoming did not bring any change in the rainy weather.

Soon after the start, the Spartans are battling for position before entering the President's woods. Spartans from left to right are: R. Bender, J. Flory, K. Rowe, K. Adams, B. Cook, D. Landon and B. Koleszar.

Manchester split the double-dual Homecoming meet, losing to Hillsdale 36-19, and defeating Tri-State 19-38. The team's next victory, over Marion, was made possible by the strong finish of the numbers 4 and 5 men. In that 25-30 victory Tom Johnson and Bill Koleszar finished ahead of the 3, 4 and 5 men of Marion to assure the win. MC won its two remaining dual meets 16-47 and 17-44 over Bluffton and Earlham respectively. The top six runners for MC went to Indianapolis for the Big State-Little State, NAIA meet. The team placed 11th/(18 teams) in the Big State, 6th/(13 teams) in the Little State, and 3rd/(7 teams) in the NAIA meet. Scot Manges and Paul Sibray MC's one-two punch, finished 4th and 6th respectively in the NAIA. The last meet of the season was the Conference meet which was held at Manchester. The meet fielded nine colorful teams running over the MC campus. When the meet was over Manchester finished third behind the ever ominous Taylor, and an unexpectedly strong Wilmington. Again Manges and Sibray led the way for MC. The two runners finished 3rd and 4th in the Conference, and were designated as All-Conference Athletes. The Spartans lose three valuable Seniors this year, Paul Sibray, Bill Koleszar and Ken Rowe. Also graduating are Senior managers Tom Schmidt and Larry Neilson.

The Manchester wrestlers had what must be termed as a frustrating season. For the second year in succession, the season drew to a close with less than enough Spartans on the team to complete a full varsity roster. Because of injuries and discouragement, member after member dropped off the team, until at the end of the season MC had only eight members able to wrestle. The final team consisted of four seniors, one sophomore and five freshmen. This meant that half of MC's varsity wrestling team was made up by freshmen. This inexperience produced an initial handicap for the team. The season record at the time of publication was three wins, nine losses, and zero ties. Senior captain Doug Nottingham, two time conference winner had a personal win-loss record of nine and one.

Senior Larry Engle works on his Huntington opponent.

Sophomore Cal Roe punishes his opponent with a leg lock.

In the 190 wt. class, Dave Wagner struggles to escape.

Senior Larry Engle, who won the conference as a sophomore, spent his junior year abroad. Larry was 6-4 this year when he injured his ankle. At our deadline he was still out of action, a big loss for MC. Jim Spiegle and Ken York are the other senior members of the team. They post personal records of 3-4 and 4-5-1 respectively. Calvin Roe, the lone sophomore, has a record of 5-3. The freshmen members are Weller, 0-6; B. Cook, 2-5; E. Trus-ty, 4-6; Wagner, 1-9; and Rogers, 0-4. The experience gained by these freshmen this year will give Coach Gratz a good start towards building a strong team next year.

Coach Claude Wolfe and the Spartan cagers improved their season record over the 71-72 campaigns. With the final record undecided, as four games remained to be played at publication date, the current 8-17 win-loss standing is a marked improvement over last year's record. Led throughout the year by senior John Warwick scoring and senior Dave McComb playmaking, the team had many rewarding victories.

The season started with a big victory over the Alumni, the first time for the undergrads to pull this off. After this enthusiastic start the team hit the road for its first regular season game, at Ind. Tech. MC dropped the game to Tech 76-71. The Spartans outscored I.T. on field goals, but Tech outscored MC from the line 30-13. The Spartans next met Aquinas at Manchester, and won their second game of the season 93-87. The Findlay Oilers were the foe for MC and the first conference opponent. The Spartans led until the end of the game, when the Oilers exploded and downed their Hoosier opponents 75-69. MC next lost at home to Hanover 70-83 in their second conference loss. Anderson next came to MC, and in a close one all the way, defeated the Spartans 78-76 for the third conference setback for MC.

During Christmas break Manchester College hosted and won its first Holiday Tourney. The MC cagers defeated St. Francis and avenged their earlier loss to Ind. Tech. by putting them away.

In their first game of the new year the Spartans went to Taylor University to face the Trojans. Playing without ailing John Warwick, the team played an excellent game, staying within the Trojans until the final minutes losing 85-64. The following Saturday, MC hosted Earlham and in a heart-breaker, lost 77-78. This gave the Spartans a 0-5 conference mark.

Rick Blastick was the second leading scorer for MC.

McComb checks Defiance fast break.

Coach Wolfe shows annoyance at referee's decision.

Junior Ken Fishbaugh jumps at shooting Yellow Jacket.

Freshman Geoff Penrod prepares to shoot in his 20 pt. performance against Defiance.

Fishbaugh tries to penetrate the zone.

Senior John Warwick was a definite All-Conference candidate, as second leading scorer in the HBCC.

Senior guard Dave McComb is shut off by two big Huntington players. Dave was the point man for the Spartans on offense and a tough pressure man on defense.

The trend continued as MC played a road game at Huntington. The Spartans played good ball until the final minutes of the game, when the victory again slipped out of their grasp 84-89. In the next encounter, MC played Bluffton and dropped the game to a determined Beaver team 90-84. Warwick led all scorers in this game with 38 points. The first victory of 1973 came against the Findlay Oilers, as MC avenged an earlier loss 80-72 giving them their first conference win. By holding Warwick to 14 points and the second leading scorer, freshman Steve Blastick to 17 points, Hanover soundly defeated MC for the second time this season 91-65. The team then dropped the second game of the year to Anderson 94-70 as the Raven zone defense shut off our big scorers.

Warwick scores two points in his 20 point afternoon.

To look at the season record available for the yearbook deadline, does not tell the story of the Spartan season. The team was never completely blown out by anyone. Even in the 94-70 Anderson loss and the 91-65 Hanover loss, the Spartans were even at half time with other teams. One problem which plagued this years team was inability to play cool-headed second half ball. However, an objective view of the season shows that five freshmen saw a lot of action for the team. This years experience will make for next year victories. MC fans will be elated to hear that senior John Warwick will return next year to MC and complete his four years of eligibility. Ken Fishbaugh will also return to help on the boards. To all of this add the talents of some fine Junior Varsity players and next year's season might well be a banner year for MC basketball.

The Junior Varsity coached by Karl Merritt had a very successful season. The team included several talented freshmen who will play a key role in next years varsity season. The leading scorer for the team was Paddock who scored 168 points in the first 12 games. Other members of the team who will help next year are Penrod, Hirschy, Campbell, Carmony, Lyttle, and Deutscher.

Coach Merritt made this statement about his season. "Overall we've played some really good ball. Most importantly, we have some boys who gained some experience this year and could blossom for us next season."

Coach Karl Merritt, a Manchester graduate and basketball player under Coach Wolfe, made a great contribution to the season with his limitless fire and enthusiasm.

Dan Paddock pops one from 20 ft. He led the J.V. with 168 pts. in the first 12 games.

MC Women's Volleyball: Fifth in the State

In early October a number of girls came together to form the Manchester Women's Extramural Volleyball team. Under the direction of their coach, Miss Weirick, the girls put together a season of which they could be proud. During the short season, the team faced only token competition, with the exception of the "big four" state schools, I.U., Purdue, Ball State, and I.S.U. The team lost twice to out of state schools, Western Michigan and George Williams of Illinois. However, they won in all of their other games, not even dropping a set to their opponents. Anita Brower and Jill Thornton, both seniors, were the team leaders. They led the team in offense, scoring a majority of the points. These two girls will be missed next year.

Sophomore Barb Phillips moves into position as she awaits the return.

Pat Fucik returns the opponents' serve as Cindy Brown looks on.

The team huddles around Coach Weirick after winning the first set of the game.

Two girls played key roles in the defense. Nancy Warner and Bev McEntarfer both contributed a number of saves to keep the Spartan drive going. Coach Weirick had this to say of her team. "I personally feel that we did exceptionally well this season. We are unofficially fifth in the state, which speaks well in itself. Considering the size of our school, and the limited time our girls can spend in practice, I feel these girls have shown themselves well."

Senior Bev McEntarfer digs one out as Carmi Thornton anticipates the next shot.

Women's Basketball: State Contenders

"The keys to our successful season were the great desire and tremendous dedication on the part of all the girls," stated Coach Weirick. "Even with everything going against us; our late start, the size of our school, and the necessity for our girl athletes to double up on the volleyball and basketball teams, the women never lost their spirit." At the time of this publication the team had a season record of four wins and no losses. Jill Thornton is the leading rebounder for the team. The members of this year's team are N. Warner, Soph.; A. Brower, Sr.; J. Thornton, Sr.; M. Schannen, Sr.; B. McEntarfer, Jr.; M. Ward, Jr.; C. Thornton, Fresh.; C. Ring, Fresh.; S. Warring, Fresh.; N. Greer, Soph.; P. Shantz, Fresh.; S. Coon, Sr.; T. Houser, Jr. The offense is led by Nancy Warner, who averaged 27 points per game in her first three outings. The team has defeated these opponents up to this date: the alumni, 40-32; Indiana Central, 56-42; Marion, 66-38; and Cedarville, 50-39.

Cedarville College was a powerhouse in Ohio this year and the previous year was the Ohio state champs. This fact made the victory a sweet one for the team. Pressing CV before they could set up their offense, good defensive boards and a strong bench told the final story. This victory over a top ranked school would indicate that MC is a contender for the state title. The team likes to run a press, which makes a strong bench invaluable. This year's bench had a lot of experience with several upperclassmen. Coach Wierick decided to go with inexperience in her freshmen guards over the veterans because she felt the speed of the freshmen was needed to make the press work. However in the Cedarville game, it was the veteran bench who came in when the starters got into early foul trouble and helped to save the victory. The team faces six more opponents this season. They are Goshen, Franklin, Valparaiso, Taylor, Huntington, Butler and the state tourney, to be held at Goshen.

Players await the rebound.

A total of 21 teams consisting of 168 players participated in this year's intramural football program. Regular season games were played after class during the week-days. The games were played rain or shine, and many times in thick mud.

The teams participated in a play-off series at the end of the season. The final game, played on Saturday morning of Parents Weekend, was between the T-Bones of the National League and the No-Names II of the American League.

In the Super Bowl the T-Bones split-end Bill Koleszar caught the winning T.D. pass from quarterback Tim Ryder. Scoring first, the No-Names' quarterback Steve Hardy ran around left end for a 40 yard score. The only other points were scored when Ron Buckmeier tackled Dick Burden in the end-zone for a safety. For the T-Bones, the victory revenged their loss in last year's Super Bowl, when they lost 26-6 to the Boys.

With no protective equipment, and much physical contact, the players will tell you, "It's a rough game!"

Women's Intramural Volleyball

Connie Fischer is shown serving for her team. Notice the results.

Girls Intramural Volleyball took on a new look this winter. Power volleyball rules were initiated into the play. There were twenty-four enthusiastic, screaming and determined teams of girls. The season lasted from the beginning of January into March, with each team playing about eight games. The tournament held in March was played in a round-robin fashion.

The ball falls between three team members.

Over 150 girls participated in this year's program.

Men's Intramural Basketball

This year's men's intramural basketball program was organized by Mike McKinney. There were 39 teams in the organization, split up into three leagues. Single A, composed of 20 teams, was made up of players who were less experienced and took a somewhat lighter view of the game. Double A, made up of 11 teams, included players who had somewhat more experience and some bigger players. Triple A ball, represented by eight teams, is the "big time" in intramural sports. It was made up of many high school players who were fairly well-seasoned. Intramural basketball sports gave an opportunity for the men who participated to relieve the frustrations of scholastic pressure.

ORGANIZATIONS

The Community Court was organized in 1970 and since its beginning has emphasized the idea of civic privileges as well as responsibilities throughout the campus community. The Court reviews disciplinary cases referred by the deans, residence hall councils, or individuals. Original or appellate cases are heard by the Court concerning both academic and non-academic situations. The 1972-73 Court is made up of 6 college students elected by the college community, one faculty member, the Dean of Students, and the Dean of the college.

Reaching out to the campus community was shown to be the interest of the Council this year. Council meetings were held in the different dorms on campus so everyone could be involved. Publicity was improved to increase student participation in events and issues. Such ideas as open meetings brought Community Council to close interaction with the campus community. These meetings opened the door to criticism, complaints, and advice; students came to find out what was going on during meetings and were encouraged by Council members to attend.

Concessions at games is just one of Community Council's projects throughout the year.

Secretary Barb Huffman listens intently to a C.C. discussion.

This year the Council worked under a different atmosphere. From the beginning of his term, President Paul Sibray faced the pressures of his office in handling the heated Nationwide call for a strike of Solidarity concerning the War in Vietnam.

From then on several other issues were debated, passed, or rejected by C.C. Among the issues that were passed were the increase in refrigerator size from 3.5 to 5.0 cubic feet per room, funds for Hot Line, and the revision of visitation hours.

Cooperation among the community council members was at a high peak this year.

From the Melon Mess to May Day, Union Program Council planned, directed, and co-ordinated all the recreational, cultural, and social functions of the college. The council, with its eight students and two faculty members, began work last summer planning the activities of the 1972-1973 school year. The "council" as it is known, oversees not only the major campus events, like Homecoming, Parents' Weekend, Breakaway, Winter Festival, and May Day, but also handles the Children's Christmas Party, Little Brother-Little Sister Weekend, the Fine Arts Week, the Quiz Bowl, the Car Rally and the International Bazaar.

The UPC sponsored the Friday night film series, which this year featured, "The Reivers," "Guess Who's Coming to Dinner", "Who is Harry Kellerman and Why is he Saying Those Terrible Things About Me", "The Fall of the House of Usher", "Airport", and many more. Weekly entertainment at the Tuesday Night-In-The-Oaks series also fell under the authority of the UPC, as did the numerous dances held on selected weekends

throughout the year.

Each month the Council featured a different art exhibit in the Union Lounge and even sponsored a student art exhibit and sale. Such recreational events as swimming parties at the Manchester Community Pool, bowling parties at Oak Park Lanes, open gym and open Union, table tennis, euchre, bowling, and billiard tournaments required a great amount of the council. The UPC is a member of the Region IX of the Association of College Unions-International.

UPC consists of the following members: Mr. William Phillips, Director of the College Union; Mrs. Genita Speicher, Faculty Representative; Mrs. Judy Dils, Union Program Director; Linda Warren, President; Tim McKaig, Vice-President; Janet Bright, Secretary; Rick Grimme, Special Events; John Holsinger, Special Events; Nancy Martin, Weekend Activities; Vickie Kees, Recreation Director; and Teresa Ortman, Cultural Events.

One of the May Day activities featured a presentation of the Little Theatre.

The Union Board sponsored many dances throughout the year.

Newly formed organization here on MC campus is a group we associate with the name, Spartanettes. This group started simply as pom-pom girls and from there decided to perform at both home football and basketball games. The group was formed in late Fall term by several interested girls who were granted permission by a few faculty members who accepted the responsibilities of sponsoring them. Uniforms worn by the girls were made and paid for by each individual. The organization divided into smaller groups which took on the responsibilities of choosing the music used for the routine, making up the routine for that week, choosing a time for practice and final decisions on the outfits chosen or any other idea presented. With the great enthusiasm of the group, the Spartanettes will be performing for years to come.

Co-Wed

Co-Wed is an organization composed of married women who are students at Manchester or are married to men who attend the college. The club gives married women the opportunity to keep in tune with affairs outside the home. During the year Co-Wed took a tour of the Heckman Bindery, presented a style show sponsored by Maynard's Men's Shop, and attended a banquet at a restaurant in Wabash.

Officers for the year include Vicki Devine, Pres.; Sharon Fisher, Vice-President; Ann Sibray, Secretary; Barb Amiss, Treasurer; and Mrs. June Wolfe, sponsor.

Colhecon

Although Colhecon places emphasis on home economics, its goals are to help girls learn how to make the home a pleasant place to live. This can be done by adding interest through home surroundings and family life. The Colhecon club ushered at Public Programs and presented programs which were related to the home. It is open to any girl on campus.

AURORA Staff Reflected Cooperative Spirit

This year's AURORA was under the direction of two co-editors, Pam Claeys and Donna Crowther. Working under a diminished budget, the co-editors attempted to cut costs on developing and printing pictures by using the talent of the staff's photographers. Stew Mills, John Hoover, and Jerry Briney took and developed all their own pictures in the AURORA darkroom.

Another innovation in the year-book is the faculty section. Candid pictures of faculty members were used, instead of the regular face mug-shots. Also, personal interests were incorporated to produce more exciting copy.

The co-editors worked with advisors, Dr. Gene Fahs and Mr. Jim Garber, in ironing out details. Mr. Russ Robinson, area representative from Inter-Collegiate Press, also kept in close contact with the co-editors in working out specifications for the AURORA.

Pam Claeys and "Mike" Crowther relaxed while working on the 1972-73 AURORA.

Along with being co-editor, "Mike" served as RC for Oakwood Hall. She is a senior and a psychology major.

Pam is a junior and an elementary education major. She served on Community Council in addition to being co-editor.

John Hoover worked in the print shop besides devoting a great deal of his time to taking pictures for the yearbook.

The mascot for the AURORA staff this year was Janice. Here she sits with her owner, Stew Mills. Stew also took pictures for Public Relations besides the yearbook.

Always carrying his camera with him enabled Jerry Briney to catch good memories of the campus. He spent part of his time working for Public Relations as a photographer.

Oak Leaves Makes Changes

On campus the Oak Leaves staff worked diligently to prepare news to inform its reader of local as well as national developments in the world. The campus paper followed local sports news, community changes and campus issues closely. Also, the Oak Leaves gave students the opportunity to voice their opinions with letters to the Editor and by publishing poems or articles written by students.

This year the Oak Leaves opened its pages to more controversial topics, such as abortion, drugs, Viet Nam and National politics causing it to expand from 4 pages to 8 pages. During the year the staff covered the convocation programs. They interviewed the speakers and printed articles on their candid opinions of various issues.

Listening enables new sports editor, Steve Reid, to become proficient at his job.

Careful thought and planning help Denise Judy finish her stories on time.

The phone proves to be another help in organizing a paper for editor John Hoops.

The Oak Leaves ran extensive coverage of the presidential election campaigns. Each week it presented both pro and con opinions by students as well as faculty on topics of party platforms, party loyalty and party corruption. Even with the pressure of presenting the views of the presidential candidates, local politicians were not ignored. The campus paper presented interviews with some of the local politicians such as Matt Welsh, Finley Campbell and Earl Langrebe, who spoke at the college. Oak Leaves also presented the staff's own views about them.

Because of the nature of the articles printed in the paper, the Oak Leaves staff chose to hold a meeting, once a week to entertain the comments and suggestions for improvement from its readers. The work of the Oak Leaves staff proved to be rewarding since students have taken a greater interest in campus as well as national developments; they have been brought face-to-face with life outside the college community.

Bob Bucher demonstrates that at times, laughing can be effective in a frustrating situation.

Even though most of their work is done behind the scenes, Randy Gratz, photographer, and Ann Miller, business manager, have a part in putting out the paper.

Rowan Daggett, the faculty advisor can indeed be proud of the students who work as the Oak Leaves staff.

One of the most important persons in an organization is its business manager. For Oak Leaves this was Ann Miller, who until lack of time pressured her into resigning, kept tabs on the circulation and advertisements run in the paper.

Naturally a paper needs news before it can go to print and Denise Judy had the task of organizing the news items while Bob Bucher sweated over the feature sections.

In the sports arena was Ray Casey who worked as sports editor until November when Steve Reid took over the task. Sports stories, more so than any others, required good pictures to glorify the athletes. Randy Gratz as photography editor came through every time.

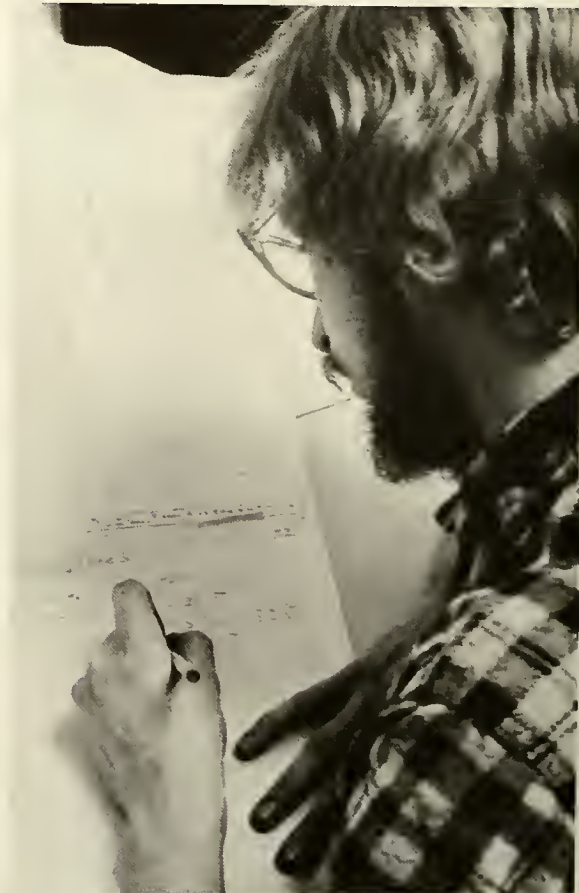

Coordinating it all during the fall term was John Hoops editor. However Oak Leaves lost John to Augustana College for Spring term and at the time Aurora went to print, a new editor had not been found.

Replacing Ray, Steve Reid finds his work begins right away.

John Hoops discusses the prospects of leaving the staff with Ray Casey who also was replaced in mid-year.

Section editors were required not only to write stories but to assist in drawing up final mats.

New staff members take time out to get better acquainted.

New Staff

Spring term introduced MC to a new OAK LEAVES staff. John Hoops, Bob Bucher and Randy Gratz resigned as of the end of fall term. Lois Gish took over as the new Editor. Rhonda Whitten stepped in as Feature editor. Steve Reid transferred to photographer so David Beery became Sports editor. Kathy Klotz held down the position of Business Manager.

Along with a new staff came new innovations. An ecology corner was added to the format. Ms. Gish was quoted at the beginning of her new job as saying she "hoped to continue to make the OAK LEAVES paper of relevance with community participation."

Lois Gish becomes oriented with her new editorial duties.

Tri-Alpha

Members of Tri-Alpha this year worked under the guidance of a new director, Mr. Robert Clymire. Innovations were taken in selecting plays as evidenced by the Homecoming Play, "Spoon River Anthology." Other plays presented throughout the year were "Catcher in the Rye," and "The Hand that Cradles the Rock," written by Ms. Susan Clymire.

Tri-Alpha sponsored a play-writing contest to make fuller use of the talent on campus. Student written and directed plays were performed throughout the year, the first one being done by Dan Garver, entitled, "The Wednesday Morning Articulate." Board members included: Jan Swartz, Don Stewart, Jane Coil, Larry Tobias, Dana Barton, Jim Carey.

Future Baristers Of Manchester

Pre-Law is an organization which enables students who are seeking a career in law to meet as a group and encounter various aspects of that profession.

One aspect in which the group was involved was the investigation of qualifications for entering law school. By contacting a number of law schools and receiving their specifications for admission, the club members were kept up to date on the schools.

Through the year Pre-Law club invited various speakers to hold discussions at club meetings. Not only were speakers in the area of the practice of law included but also guests in areas of economics and sociology. At the beginning of the year Mr. Bishop and Mr. Buzzard, both professors at Manchester, discussed the economic policies of today.

Officers for the year were Sue Swanson, President; Dean Brewer, Vice President; Kathy Banks, Secretary; Dan Gehres, Treasurer; and James Lambert, Parliamentarian.

WBKE, the MC campus radio station provides both informative news and entertainment to all listeners. The station consists of an AM and an FM station, both offering to the public what they want to hear, whether it be rock and roll or news of the nation. The FM station covers any direction within 30 miles and has a staff of engineers who all have a third-class broadcasting license. Music ranging from rock to classical and easy listening is played nightly along with news. Home and away football and basketball games are broadcasted by the FM staff. Free-form music is the specialty of the AM station. The music of today and any requests that the listeners might have, are played. Requirements for a license are not a necessity when working on the AM station.

Complete coverage of the elections was WBKE's biggest project this year. A total of over thirty broadcasting staff members were involved to make this coverage possible.

One professional educator spoke to members of S.E.A. at a monthly meeting.

The Student Education Association attempted to help student teachers uncover new and more meaningful ways of exchanging knowledge with their pupils in a learning situation. Student teaching is the most direct link between the college and public education, and realizing this, S.E.A. had its members share their teaching experiences in discussion groups throughout the year.

During the year, S.E.A. had speakers from various occupations in the education field come and give lectures which served as very helpful guides for prospective student teachers in their quest to bridge the education gap. The members of S.E.A. strived to develop a technique of teaching which would inspire students to learn as opposed to stifling their eagerness for knowledge.

S.E.A. projected teaching as a rewarding experience, and the enthusiasm of its members towards their future profession was encouraged.

Circle-K Busy

Circle-K is a service oriented organization active on the Manchester College campus. This year many projects were endeavored. The club passed out programs, at no charge, for football and basketball games. Desk blotters were distributed to the students in the dorms. Several trips were made to Timbercrest Nursing Home and White's Institute. The recycling project, a major project, involved installing and maintaining stations around the North Manchester community for the purpose of depositing scrap glass, metal, and paper. Circle-K members maintained these stations by transferring the materials to out-of-city factories; the factories then converted the refuse into reusable materials. The goal set by the club for this year was to raise \$2,000 for Multiple Sclerosis. Co-ed participation contributed greatly to the success of Circle-K.

To acquaint members with others engaged in mathematics, Chi Psi and Kappa Mu Epsilon presented programs involving students, professors, and outside speakers. They also focused on films dealing with various topics related to mathematics. KME, the National Mathematics Honorary Society, held a formal banquet this spring at which time they inducted new members. Chi Psi ended the year with a picnic. Chi Psi officers this year are Helen Taylor President, John Gilmore Vice President, George Merryman secretary, and Greg Frolke treasurer. KME officers are Helen Taylor, President, Jeanette Klotz vice president, Doug Warrick secretary and Hank Nietert treasurer.

Research and occupation were the main ideas being stressed this year in the combined monthly meetings of Biology Club and its honorary society Beta Beta Beta along with the American Chemical Society. In this way they were able to give more students a look at new discoveries into present research, relevant to their future.

Dr. Beard, formerly at Manchester, now a clinical chemist at the Wabash Hospital, spoke on chemistry and medical technology. John Nauman, also from Manchester, presented ecological research in Alaska, specifically on the possible impact of oil pipelines. In one meeting the chemistry and biology departments combined their efforts, and the focus encouraged student participation in programs already instituted on campus.

Physics Club On The Move

The Manchester Chapter of the Society of Physics were on the move this year as they visited different places which gave them new insight into different areas of Physics. The club visited Howard's Photo Lab in Fort Wayne, the first of December and made a trip to Muncie in March.

Hi Fi accoustics and Physics Instrumentation were a few of the programs presented to the club here on campus. The professors got involved with a presentation made by Dr. Farringer dealing with "Adventures in Teaching Media." Dr. Beery followed in a later meeting with a program on Descriptive Astronomy. Curt Holsopple discussed the Ham Radio of Today in an October meeting.

In dealing with the Financial part the club engaged in selling concessions at the Indiana Central Football game.

The other meetings included a Film Loop Show, a Social at Beery's and a movie.

The year for the Society of Physics Students Chapter was closed with a spring Banquet and a report made by the students working on Special Problems.

Karate Club Remains Active

Instructor David McGuire and Jim Spiegel show the Karate form.

Karate is still an important activity on campus, even though the number of participants have decreased. Students of the former Ke-No-Ryu Karate Club are continuing their karate expertise under the direction of Second Degree Black Belt, David McGuire who at the present time teaches the women's self-defense class on campus. The students participating this year are: Michele Zuck, brown belt; Ken York, yellow belt; Jim Spiegel, yellow belt, who are former officers of the club. Group activities include work on "katas" or forms which teach the basic moves of karate. Throughout the community, the members of the club give numerous demonstrations.

M-Club

M-Club builds fellowship among the athletes at Manchester by sponsoring many varied activities scheduled throughout the year. A member is initiated into the club by earning a varsity letter in any one of the numerous recognized collegiate sports. These members then select the most valuable athlete of the year and recognize this accomplishment with the presentation of a trophy at the Spring Sports Banquet.

ROW THREE: Tom Johnson, Bill Koleszar, Steve Dimmit, John Gilmore, Ken Rowe, Mark Ballinger, Sam Lower, and Mike Anoskey.

Spectrum marked its twelfth year with a change in advisors. Dr. Charles Klingler, chairman of Manchester's English Department, took the post after the retirement of Dr. Doris Garey, long-time advisor of the publication.

Aiming for a May Day distribution, the staff began soliciting creative prose, poetry, essays, photography, art, and musical compositions in late December and early January. Co-editors Pam Deetz and Ken Cole worked at establishing budgetary guidelines in January and February before the entire staff and Dr. Klingler began the selection process. With the decisions made, the editors laid-out the magazine, added the cover design of art editor Pat Hartleroad, and set the publication to press in April.

Although awards presented by the Indiana Collegiate Press Association are not made for another year, past Spectrum issues have received numerous honors. And, with a staff of the caliber of that of the 1973 Spectrum, chances are good for Manchester's creative arts magazine opting more laurels!

Beta Upsilon Sigma

Beta Upsilon Sigma for the year 1972-73 has seen a start of a new era. Programs were planned and carried out, (such as speeches, films, Christmas party, and special money making projects), revision of the age-old constitution was accomplished, the club's name was changed, field trips were taken (one overnight to Chicago), and to bring the year to a finale a banquet was held in Fort Wayne.

Programs which Beta Upsilon Sigma initiated this year and hopes to expand in the following years are the Internship, Job Interview, Curriculum Improvement, and becoming the first coed National Business Administration and Commerce Club.

On campus, where social and cultural activities were limited for blacks, they united to form the A.A.F.R.O. Club (Afro-Americans forming realistic objectives). For two years the organization has served as a bridge between the black students and the community life from which they are isolated.

In the beginning, the A.A.F.R.O. Club petitioned for and was granted a house where meetings could be held. The A.A.F.R.O. House had been furnished and supplied to reflect black culture in America and the members of the club utilize the House library and cultural display room for research as well as for personal information.

During the school year, the club has sponsored "living room rap sessions," where once a month a faculty member or guest speaker exchanged ideas with the club members.

Among other activities was a cosmetics demonstration given by Fashion Two-Twenty beauty consultants of Chicago. Also, during Black History Week in February, the black students presented a week of activities emphasizing the pain, setbacks, pride, and accomplishments of the black experience.

Psych Club

Great thought is needed even in the smallest tasks.

Members gather on the floor as they ponder the approach taken in creating "The Great Pumpkin".

Psychology Club has as its goal two objectives. Fellowship among psychology majors is one target which enables members to experience a mutual closeness within the structure of the group. Such an activity as the Halloween party held at Dr. Colburn's house allowed members to "let loose" in an informal atmosphere.

Besides having fun, the Psych Club specifically centers on presenting opportunities for people interested in psychology to have contact with supplemental areas of the field not experienced in course work. In achieving this goal Therapeutic Counseling took top priorities at one meeting. The topic was discussed in conjunction with the film "Carol and Doctor Fisher" which revolved around the problems of an adolescent girl. A psychologist from the Child Guidance Center in Fort Wayne gave a presentation on Multiple Therapy. Recent graduates made the scenes in another encounter of the Psychology Club.

MFLA Sisterhood

As a new club on campus, MFLA, Modern Foreign Language Association, spent most of their time recruiting new members. Elected officers for the year were Jerry Miller, secretary; and Janina Traxler, student representative. Club members went to local high schools and talked with students about job opportunities for foreign language majors. Their spring convocation encouraged students to become interested in the field of foreign languages. Club members have plans to initiate a foreign film festival in the near future.

Study groups and speakers on Women's Liberation were part of the agenda during Sisterhood's first year as a chartered organization. A retreat was held early in December at Koinonia to give the members a break from daily grind of school and a chance to discuss future plans. Ms. Barbara Norman spoke to the group on women's rights in conjunction with abortion and birth control. A consciousness raising group formed by several club members encouraged discussion on men and women in their roles in our American society.

MENC

Members of the Music Educators National Conference, Chapter 9, at Manchester College focused on the problems of music education and their solutions. The MENC journal provided monthly to each member of the organization contained articles intended to help music teachers. Education was stressed, both in the journal and the monthly meetings held by the club. Dr. Gary Deavel showed his slides from Europe at one meeting. At another meeting, Mr. Vernon Stinebaugh and Dr. Leo B. Grimes led a discussion of some of the problems encountered in student teaching. Various other meetings were held during the year. In November, several members attended the MENC conference held in Indianapolis. The program was designed to give added insight into music education. Officers for the year included: Mark Fuller, President; Wynn Bonner, Vice-President; Becky Hoover, Secretary; Robert Jarboe, Treasurer.

Pictured above are the MENC officers: Wynn Bonner, Mark Fuller, Becky Hoover, Prof. Stinebaugh, Bob Jarboe.

A Capella Choir

The A Cappella Choir, under the direction of Dr. Clyde Holsinger, consisted of approximately 45 members. They started the year with a retreat at Epworth Forest. This was a concentrated effort to practice music and make new friends. A Cappella appeared in three public concerts: High School Day, Parents' Weekend, and their annual Christmas Concert. They sang a variety of types of songs ranging from serious religious music to classical to light pop songs. The attraction of their Christmas Concert was the "Magnificat" by J. S. Bach. During Spring break, the choir toured Indiana, Ohio and Pennsylvania, performing concerts for selected churches and schools. A novelty this year was the Parents' Weekend concert which gave the members a chance to make use of their various musical talents through a variety show. There were such memorable performances as the Jug Band and the return of John Whistler's Whistle. Officers for the year were B. Faulkner, Pres.; E. Snyder, V. Pres.; S. Hornaday, Sec.; A. Gross, Treas.

Mrs. Jo Elyn McGowan directed the Women's Glee Club which consisted of thirty women who enjoyed making music together. During the Christmas season they sang the "Magnificat" by Ralph Vaughn Williams at the local Brethren and Catholic churches. They also participated in the joint choruses presentation of the "Magnificat" by J. S. Bach at the annual Christmas concert on campus. A Christmas party was held in the home of Mrs. McGowan. During February they presented "Sister Angelica" for convo, an all female opera. This was the story of Sister Angelica, an elderly nun of royal lineage. Chapel Choir

Chapel Choir consisted of approximately forty-five music majors and non music major students. Members held a one day retreat at Epworth Forest during which they spent time practicing music and getting to know one another. It proved to be a lot of work but also a lot of fun. They were more active this year than in past years. They appeared at several convocations, the Christmas concert and sang at many local churches. A student must be a member of chapel choir two years before receiving any credit and each member automatically receives membership in the Choral Society. Officers for 1972-73 were Nadine Pence, president; Timothy Speicher, vice-president; Jane Willmert, Secretary; and Muriel Snider, treasurer.

Members of Chapel Choir practiced twice a week under the direction of Dr. Clyde Holsinger.

During February the Band went on tour and played for select organizations. Their Spring concert was performed during an April convocation. Jazz Band is under the direction of Dr. Carlson.

Concert Band

Gerald Unger, featured tympanist, performed at the Band concert and a convo.

The Manchester College Concert Band, under the direction of Dr. James A. Carlson, performed a variety of the finest concert band literature. Music of both a serious and entertaining nature was played, including some selections of avant-garde music. Each year the band plays for convocations, graduation, May Day, and other special campus activities. Each Spring the band performs outdoor concerts with student conductors.

This year the Band had the honor of performing with guest soloist Gerald Unger. Mr. Unger is currently principal percussionist in the Dallas Symphony Orchestra and the Dallas Opera Orchestra. Mr. Unger, with the help of the Concert Band, played Paul Creston's Concertino for Marimba; Dahoon for Marimba and Band by Thomas Brown; and Alexander Tcherepnin's Sonatina for Tympani and Band.

North Manchester Civic and Symphony Orchestra

The North Manchester Civic and Manchester College Symphony Orchestra highlighted its thirty-fourth season in 1972-73 with two public concerts. Acclaimed pianist Annie Petit accompanied the orchestra during the November 5, 1972, concert. Their Spring concert was performed Sunday, February 25, 1973.

PEOPLE

President A. Blair Helman

A familiar scene at many sport events is President Helman and the Spartans.

Dr. Helman and guest walk through campus.

President A. Blair Helman reaches out to meet the needs of faculty, students and other people associated with the college. His "open door" policy eliminated any barrier that might have occurred between administration and students. He actively campaigned for Manchester by attending meetings and alumni affairs throughout the country.

In the above photo, President Helman poses with Herbert Carr, Jr. after a "Living Room Session" at the Afro House.

Trustees Add Student & Faculty Participants

The Board of Trustees met on September 28-29, 1972 for the first meeting of the year. The latest innovation was the addition of two faculty and two student participant — observers. Student representatives were seniors who were elected by the student body. The faculty participants were elected by their colleagues. Participant — observers have a non-voting position.

Their sole purpose is to relate personnel and students' concerns to the board. These positions will be maintained in the future. The fall meetings were devoted primarily to financial matters, while the spring meetings focused on student academic affairs, such as women's hours and visitation.

Fahs, Deeter, Book Aid in Academic Policies

This year was significant in that Manchester was visited by the North Central Association of Colleges and Secondary Schools. The N.C.A. was on campus November 14, 15, and 16 to evaluate the college and its plans for a graduate program. The evaluation team was composed of two deans, two professors and a college president, all from outside Indiana. Dr. Fahs, as Assistant to the President, worked along with others in preparing for the evaluation committee. Dean of the college is Dr. Howard Book. He is also chairman of the Division of Practical Arts and Letters. This year he participated in a seminar in Indian Studies which took place from December 3 to January 27. Dr. Book was elected vice chairman of the Indiana Conference of Academic Deans also. Dr. Allen Deeter is Associate Dean of the college and a member of the Religion and Philosophy Department. Much of his work and interest centers around peace research education. This year he appeared on Ken Kurtz's talk show in Ft. Wayne, spoke at the Ft. Wayne ISTA meeting on "China, India and Change," and met at a meeting for Peace Research Education.

Personnel Deans Provide Counseling

Manchester's Personnel Deans express their concern for people through counseling services and just being there when you need them. The background experiences of each dean qualifies them to handle problems that arise.

Dr. Paul Hoffman, Dean of Students, is head of personnel services. He is responsible for health services, campus housing and counseling foreign students as well as his academic and personal counseling duties. Dean Hoffman also teaches Adolescent Psychology. His extracurricular activities include flying, reading and farming.

The new Dean of Women, Rose Breslin, is an asset to M.C. She enjoys counseling and meeting people. Miss Breslin also teaches Interpersonal Communication.

Dean of Men, Mr. Jan Thompson, enjoys meeting people informally; family and church are important aspects of his life. Besides counseling he teaches Psychological Approaches and Adolescent Psychology. He has spent three years in Nigeria as a missionary. Camping, gardening and attending auctions are some of his other interests.

Creativity, an Art Experience

The Art Department provides studio and lecture courses designed to develop an understanding of the fundamentals of aesthetics. Another aspect is the development of the skills which enable a person to use art as a successful medium of communication. Throughout the year the department set up many art displays showing the work of the students. Terril Eikenberry, a senior, did much in the way of assistance for the department. He also was successful with the art pieces he entered in various art shows.

A member of the MC staff for the past 34 years, Max Allen is chairman of the department. He is co-president of the local Historical Society. Some of his many interests are spinning and dyeing.

Apart from his obvious interest in the humanities, Mr. James Adams enjoys filmmaking, travel, foreign languages, archeology and building things.

Assistant Professor, Stephen A. Batzka, is a member of the college Faculty Education Committee. He is especially interested in elementary art education, fabric decoration and enameling.

English Is Not Just English

The Department of English provides instruction in composition, linguistic science, and literature as these topics relate to the English language. Composition may be studied in separate courses as exposition or as creative writing; in connection with the college newspaper it may be studied as journalism. Linguistic science may be studied in separate courses on the history and structure of the language. Literature may be studied in a variety of courses designed to provide knowledge, understanding, and appreciation of various literary forms, great literary works, and the chronological development of literature. An addition to the department this year was the creation of the English lounge which provides a relaxing atmosphere for students and faculty. Plans for a full credit journalism course were worked on during the year.

Dr. Martin claims she's a "Hoosier by birth and choice." Her interests include bicycling, people, and books.

Interested in the humanizing of education, Dr. Klingler sees the need to recognize every person, at every stage of the person's life as he is now.

Mrs. Garver worked part-time helping students in Writing Laboratory.

During the spring semester, Dr. Hollis toured 24 towns from Mississippi to Wyoming, for the National Humanities Series.

Belonging to the Student Publications Committee, Mrs. Daggett holds interests in the English language and literature.

Modern Languages

The Department of Modern Languages aims to help the student achieve a working knowledge of the written and spoken language. The student is led to appreciate the literature and culture of each of the countries in which these languages are spoken. A Junior Year Abroad Program is sponsored. Mr. Herbert Ingraham took part in an overseas assignment in France from 1970-73.

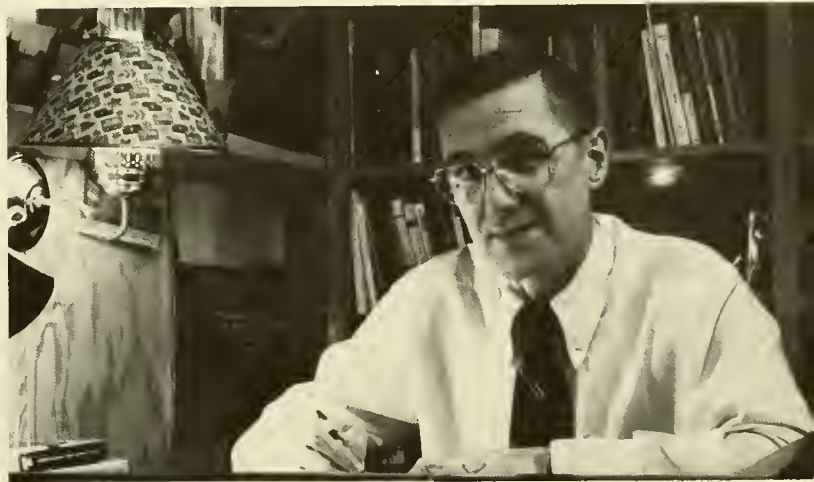

Dr. Henry Glade is chairman of the department, and has served on the MC faculty for 18 years. He is a professor of German and Russian.

This was Miss Claudine Cretin's first year at Manchester. She is an instructor of French.

Dr. Ovidio Fernandez-Cuervo is an assistant professor of Spanish. He has been on Manchester's faculty for 5 years.

Karl-Heinz Regenbogen came to the U.S. from Germany where he graduated from a university. He then attended Michigan State. Mr. Regenbogen completed his third year at MC.

Music Enriches the Cultural Climate

The Music Department curriculum is designed to prepare students for a vocation in the field of music and to provide a background for graduate study. It introduces music to students for its cultural values and enriches the culture of the college and community. The department also provides the music for campus worship and assists in the area's constituent churches. This year, Manchester was approved for full membership in the National Association of Schools of Music.

Dr. Clyde Holsinger has been at M.C. for 27 years and is chairman of the department. He directs A Capella and Chapel Choirs.

Dr. James A. Carlson, director of the college symphony, concert band and jazz ensemble, is also a member of the college Admissions Committee.

Intellectual honesty is just one of Dr. John Planer's educational concerns. He is professionally interested in Jewish and world musics and operettas of Gilbert and Sullivan.

Mrs. Genita Speicher has been a member of the MC faculty for 26 years. She has done a lot of traveling throughout Europe, South America and the U.S.

Mr. Stinebaugh was on sabbatical leave during fall term. He studied music education trends in midwestern colleges. He plays first violin in the Ft. Wayne Philharmonic and was recently elected to WHO'S WHO IN THE MIDWEST.

JoElyn McGowan spends a lot of time with her children. She participated on the Committee for Women Affairs this year and conducted the Women's Glee Club Choir.

Mr. Robert Jones, left, specializes in music, particularly woodwinds. He has been at MC for 5 years. To his left is Dr. Deavel, professor of music, organ and piano. He was on the Academic Policies Committee of the college and is organist and choirmaster of the Presbyterian Church in Wabash.

Speech and Drama Employ a Variety of Talents

The courses in the Speech Communications and Drama Department focus on the goal of leading the student to an understanding of the basic factors involved in communicating orally. It is important to equip the student for effective participation in the decision-making processes of his world. Preparing students for effective appreciation and participation in drama and broadcast media and introducing the student to skills in public address, oral reading and the theatre arts is stressed.

Dr. Paul Keller, chairman of the department, stated his interests as follows: a curiosity about the future and its implications for interpersonal communication, casual interest in color photography, and involvement in the life of his family.

Mr. Sam Davis was caught offguard in his office. He works along with students in maintaining the WBKE radio station.

Mr. Ronald Aungst was approved for his doctorate this year. He was secretary of the Publications Committee and enjoys traveling with competing speech students.

This was the first year at MC for Bob Clymire. He believes in "educational theatre" with professional quality. He has had 7 plays produced.

Religion and Philosophy

The aims of the Religion and Philosophy Department are to help students acquire a knowledge and appreciation of the Bible and to develop an adequate philosophy of life and a vital Christian faith. The development of moral, spiritual and intellectual integrity is important. Achieving an acquaintance with major philosophic traditions is stressed through different courses. The goal is also to prepare the student for graduate work in Biblical studies, theology or philosophy.

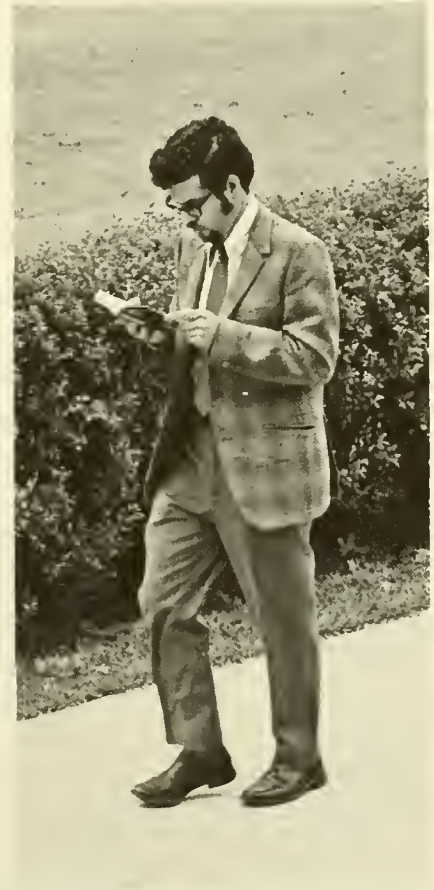

During the fall semester, Dr. and Mrs. T. Wayne Rieman went sailing. They were part of the faculty of the World Campus Afloat, a part of the International Studies Program of Chapman College. Dr. Rieman (chairman of the department) taught philosophy of religion and his wife was a librarian.

Dr. David Eller has been at MC for 4 years. The fact that he has visited the Holy Lands many times qualifies him to teach the class Faith of Israel.

Ken Brown, Associate Professor, has been at MC for 12 years. One of his favorite quotes is from ANTIGONE which is, "Not to hate those who hate, but to love with those who love, I live."

Mr. Dell is pictured above in a familiar scene. He has been at MC four years and taught History of Philosophy.

Math: A Foundation for Many Professions

The courses offered in the Mathematics Department were arranged to give students a cultural knowledge of mathematics and to provide preparation for graduate work. The department is organized to give students the opportunity to secure sufficient knowledge of mathematics for teaching in the secondary and elementary schools and other fields such as physics, accounting, medicine, and others. An introduction to computer programming was a course made possible using the Fortran IV language. The students received experience in the operation of the computer. A math club and an honorary math society are sponsored by the department. All of these responsibilities plus involvement in the Science Core makes the Math Department well-rounded.

Mr. Dale McCauley, Assistant Professor and Director of the Computer Center, invests much time outside of class building and flying controlled model airplanes. His wife and three children participate in the activities of the First Brethren Church in town.

A familiar person around the math department is Mr. James Rowe, Associate Professor and graduate of M.C. He enjoys playing ping pong and chess.

This was Dr. Nyman's first year at M.C. Teaching math, bicycling, flying, and farming are among his interests.

Dr. Ralph McBride, Chairman of the Mathematics Department, taught math methods and statistics. He is a member of the Kiwanis Club and enjoys camping, singing, golf and the Pittsburgh Pirates.

Assistant Professor of Mathematics, Mr. Robert Foreman, has been at M.C. for five years. He taught classes in Geometry, Calculus and Algebraic Structures.

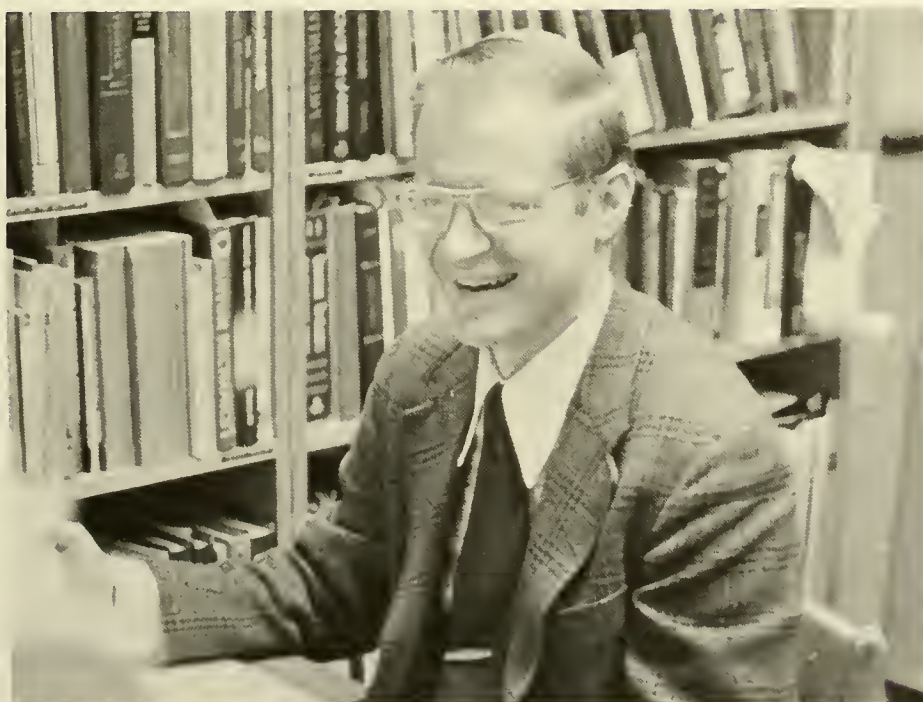

Dr. L. Dwight Farringer, a Manchester graduate and member of the MC faculty for 15 years, is chairman of the Physics Department. During the year he talked at a meeting of the Society of Physics students about "Adventures with Teaching Media."

Physics Offers Wide Spectrum

The Physics Department offers the knowledge of physics for students not majoring in the physical sciences and supporting courses for majors in the other physical sciences. Pre-professional training for students expecting to enter medical and engineering schools and preparation for teaching, industry, graduate study and other careers are included in physics. In the Manchester physics plan, a general coverage of the basic principles of physics is included in each General Physics course.

The MC three-level General Physics sequence and application of radioactive isotopes are some educational concerns of Dr. Dwight Beery. His interests include physics, astronomy, piano, tennis, travel and child psychology.

Chemistry

The courses offered by the Chemistry Department are planned to give students experience in the field and to provide knowledge to understand the technological society in which they live. The student is prepared for graduate study and training for entering professional schools such as medicine and engineering. Chemistry is also taught to supplement other sciences.

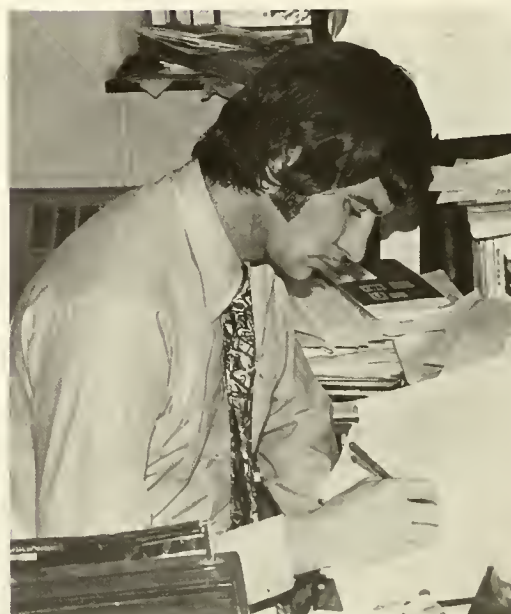

Dr. Wilson Lutz is professor of chemistry. He has been at MC for 11 years.

Mr. James Streater is director of the Science Core in addition to being an assistant professor of chemistry.

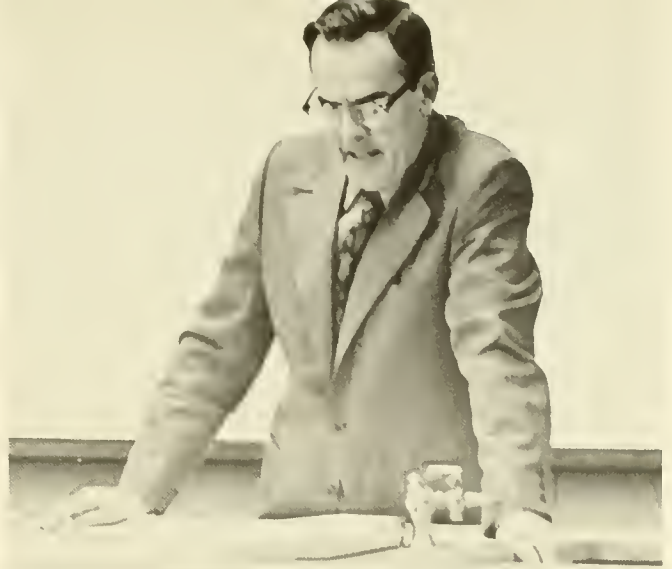

An MC graduate and chairman of the chemistry department, Dr. Miller has been on the faculty for 12 years.

Stan Weller, former MC basketball star is concerned about our environment and people's apathetic attitudes. He is interested in sports, farming and stamps.

"Doc" Niswander, Chairman of the Department, says he gets a KICK out of teaching and likes kids. His major hobbies are antiques, glass and primitives.

Dr. Orpurt has been at MC for 18 years. He is a botanist and has done research with soil and marine fungi. He enjoys watching football, golfing, and bowling.

Biology Relates to Many Fields

Mr. Paul Ray taught classes and worked independently on heart research. He also plays in the N. Manchester Symph.

Mr. Kreps is a grad of MC. He likes the personal touch MC's campus has.

The courses offered in the Biology Department are designed to give the student a knowledge and appreciation of living things, and to further assist him to an understanding of his own physical organization as an aid to healthful living. The department is organized to provide training for entering professional schools in medicine, dentistry, and related fields; help prepare him for graduate work in the university, or secure a teaching position in a specified area of biology. Tropical Field Ecology and Marine Biology, a special off-campus course, was offered during January term. A new major area, Environmental Studies, was added to the department.

Director of the new Environmental Studies is Dr. Eberly. He is a member of the Indiana Pesticides Review Board, which is a governor appointed office, and secretary of the Annual Conference of the Church of the Brethren.

Economics and Business

Economics and Business is a department that aids the student in understanding the basic economic and business principles and in passing on the contemporary, domestic and international economic and business problems which he must face. The department aims to provide experiences which will enable a student to enter graduate study—professional fields of law, accounting, and the worlds of business and government.

The department's newest member is John Freeman. He enjoys being outdoors, playing sports, and working with young people.

Dr. Richard Harshbarger is chairman of the department. He is secretary of the local school board and a member of the American Economic Association. In his spare time he enjoys golf, gardening and stock market investing.

A member of the Huntington City Council, Mr. Roger Buzzard is a licensed passenger plane pilot.

Miss Dorothy Johnson enjoys many outside interests among which are travelling and people. She is a member of several professional organizations.

Mr. Arthur Gilbert is a member of the Indiana Assoc. of C.P.A.'s and elected director of the Chamber of Commerce. Miss Lola Sanger finds time to belong to many professional organizations and is treasurer of Ind. Academy of Soc. Sci.

Psychology

The goals of the Psychology Department are to assist students in understanding the basic concepts and methods used in psychology. Along with this, the appreciation of the relationship of psychology to other disciplines is studied. This department also prepares students for professional training and graduate work in a variety of fields.

Dr. William McComas came to MC this year from Southern Illinois University where he completed his doctorate.

Dr. Donald Colburn, chairman of the department, has served as consultant in the areas of mental retardation, criminal behavior, psychological testing and evaluation. He has served as education chairman in the Mental Health Assoc. His hobbies include biking, camping, riding and skiing with his family.

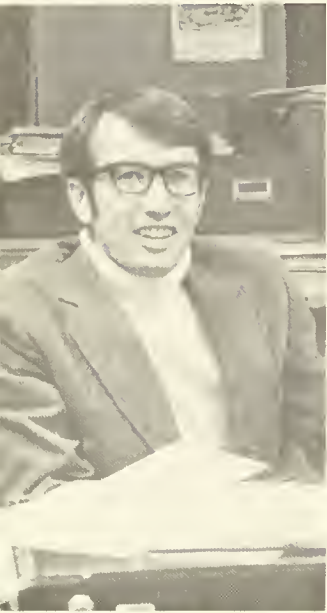

Another MC graduate is Dr. Gary Zimmerman. On campus he is a member of the Student Life Committee along with membership in the American Psychological Assoc. and the American Personnel and Guidance Assoc. His interests are travel, golf and child psychology "lab" with his daughter Lori.

Miss Laura Cuykendall doubles as Instructor of Psychology and Director of Women's Residence Halls. She enjoys sewing.

Searching Our Past

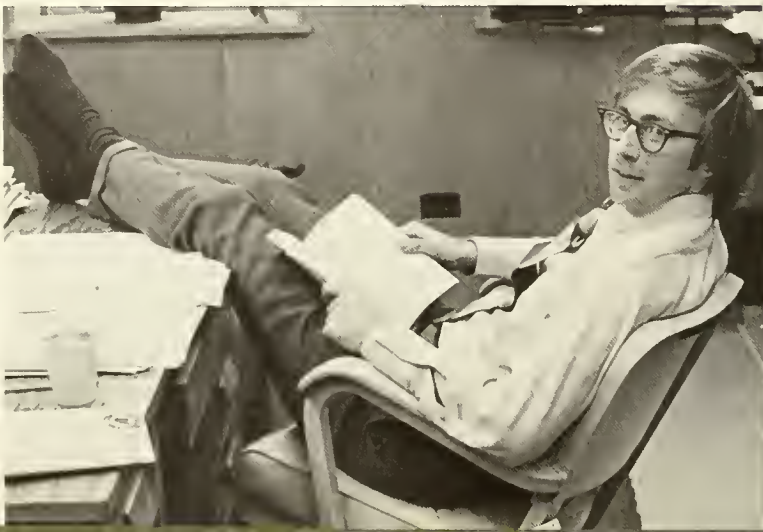

Dr. Robert Johansen, left, enjoys developing new games concerning international affairs. Pictured on the right is Dr. Bishop. He is an "expert" on many topics.

Mr. Robert Paine is registrar and assoc. prof. of history.

Mr. Calihan was caught relaxing and enjoying a good book. He is a member of the American Political Science Assoc.

Above, Dr. Waas, department chairman, talks at the Afro House about his African travels.

Mr. Carl Caldwell likes to read about current issues.

Pictured below is Mr. Richard Bittinger.

Chairman of the department and a graduate of Manchester is Dr. T. Q. Evans. He is president of the Indiana Council of Family Relations and a member of the national board of directors.

Helping Others Is Sociology

Course offerings in the Department of Sociology are designed to provide teaching-learning experiences to help better understand the manner in which human behavior is determined. The enhancement of objective understanding of the various social worlds and their evaluation are studied. Miss Fannie Moore and Mr. Robert Martin were two lecturers in the department who are not pictured.

Ms. Ferne Baldwin is involved in concerns of women at MC. She enjoys traveling and lived in Nigeria for many years. Her hobbies include cooking, sewing, and her grandchildren.

Bob Mock is coordinator of MC's summer internships in correctional programs. He is a member of the Education Commission of Indiana Corrections.

Mr. James Shively joined the faculty during January. He is assistant professor of Sociology.

Education

The Department of Education offers courses which prepare the student for teaching in elementary and secondary schools. Students preparing to teach in secondary schools complement their academic subject major with courses in professional education. Elementary education majors follow a prescribed course of study. The courses provide opportunity for students to do classroom observation and participation at local schools as well as student teaching, during the senior year.

As director of elementary student teaching, Miss June Enoch is responsible for placing seniors for this experience.

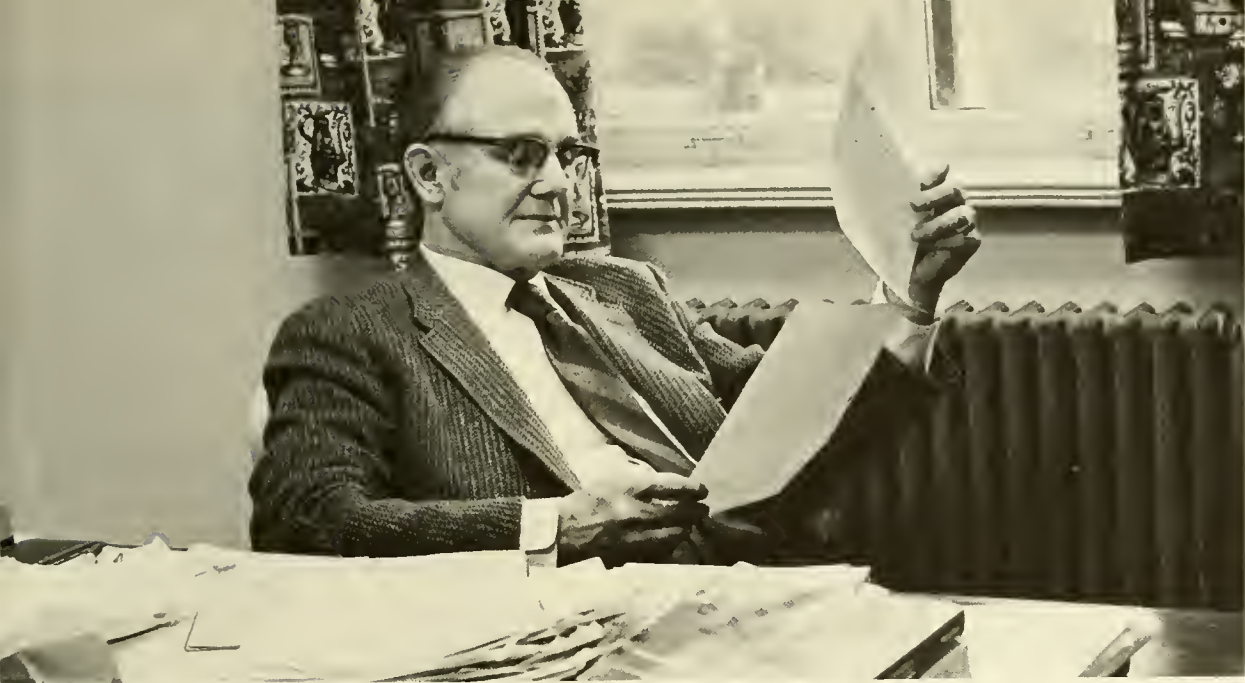

Dr. Philip Parker's work with compressed film is discussed in the **DICTIONARY OF INT'L BIOGRAPHY**. He enjoys auctions.

Along with the title of chairman of the education department, Dr. Warren Garner holds the office of president of the local Kiwanis Club. Dr. Garner was born in Dahanu, India where his parents were missionaries.

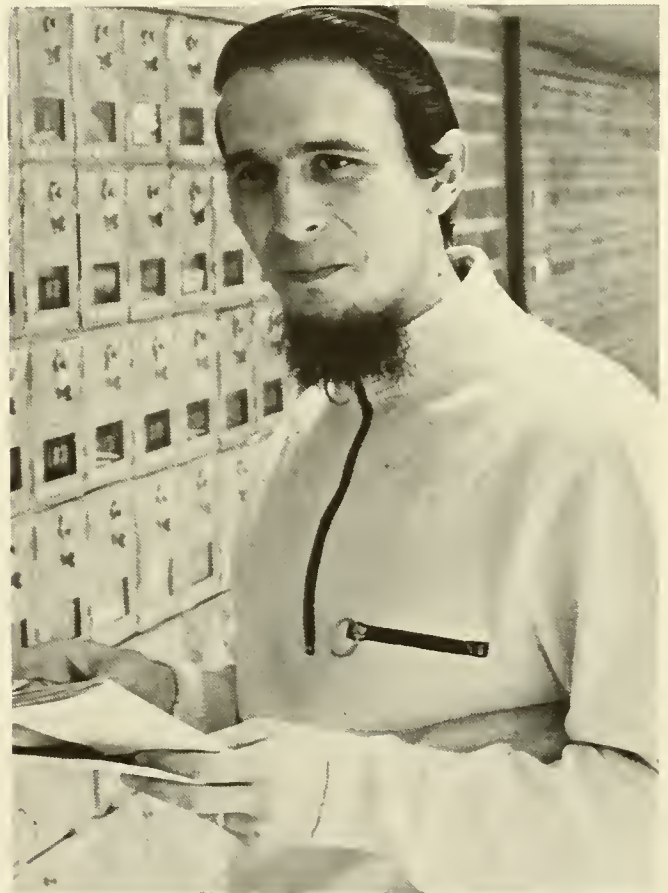

Dr. Patricia Rubeck has been at MC for 2 years. She specializes in instructing the fundamentals of reading.

Dr. Leo Grimes is professor of education. He has traveled to 8 countries to study educational systems. Sports is one of his interests.

Dr. Hastings has scheduled trips to England during interim to study their education systems. He also coaches soccer.

Dr. Robison is assistant prof. of education. He is active in Kiwanis Club and Boy Scouts.

HPER: Striving for Physical Awareness

It is the general purpose of the Physical Education Department to provide facilities, instruction and opportunities for the individual to develop his total person through meaningful physical activities. The student is encouraged to select areas of physical education in which he does not excel with the purpose of improving his physical condition. It is the goal of the department that self-realization will result in individuals who are better adjusted socially, psychologically, and physically, and who will continue to participate in physical activity.

Miss Weirick sponsored the cheerleaders and directed women's extra-murals this year. She has a number of interests. Next year she hopes to become a P.G.A. instructor.

Besides having interests in sports, Mrs. Johnson also enjoys camping and sewing. One thought that Mrs. Johnson keeps with her is, "what you wear in your heart, you wear on your face."

Coach Wolfe believes that MC should continue to provide the best education possible in a Christian community atmosphere. He is pictured with Mr. Karl Merritt, Jr. Varsity coach. Coach Wolfe is department chairman.

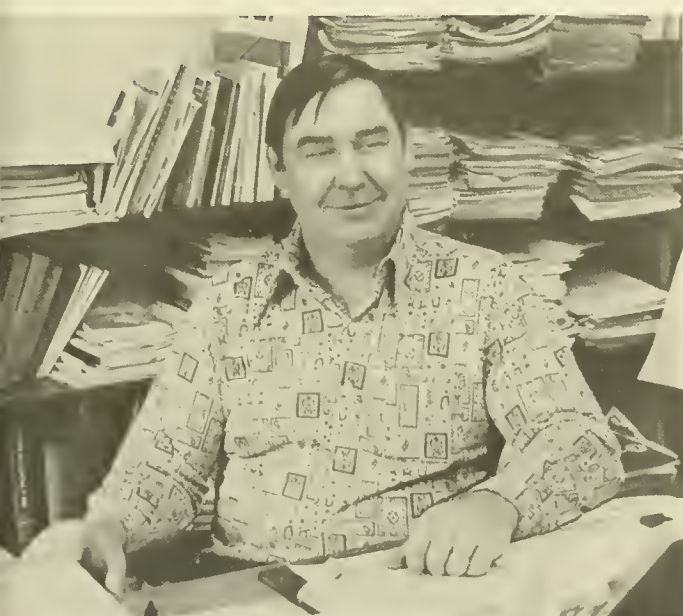

Before coming to MC, Mr. Phillips was the Director of Housing and the Student Activities Board Advisor at Earlham. Now he directs the College Union and teaches classes in Physical Education.

Director of Athletics, James L. Gratz coaches football, wrestling and baseball. He has been at MC for 11 years.

Manchester Alumni, Jack E. Jarrett has been coaching football at MC for the past twelve years.

"Sincere concern for students, reaching out," mirrors the thoughts of Coach Meek. He is very involved in the sports program and is active on many committees.

Home Ec Centers Around Family Living

Home Economics applies knowledge drawn from the arts, the physical, biological and social sciences and from research in home economics to continually improve the lives of individuals and families in the social environment of their time. Manchester has a cooperative arrangement with the Merrill-Palmer Institute of Human Development and Family Life, Detroit and Mundelein College in Chicago.

Mrs. Book teaches a class in Early Childhood Education.

Chairman of the department, Miss Opal Stech, has a variety of interests. She sponsors COLHECON, does extensive traveling and helped start a college in Warsaw, Poland.

A graduate of MC, Mrs. Miller has lectured in Home Economics for 5 years.

Mrs. Jean Zimmerman has a special interest in community parent education. She feels that there is little opportunity for people who rear children to prepare themselves for parenthood.

Junior Class

Let us try then, each of us to unlock that
deep, mysterious channel of communication
that is available in all of us.

Let us reach out to people not just with a word
or a glance, but whenever possible
with our actual selves.

Then, and only then, will we truly know
The Magic of Touch.

 NEWS - JOURNAL
 WABASH PLAIN DEALER

“. . . and so there ain't nothing more to write about, and I'm rotten glad of it, because if I'd a knowed what a trouble it was to make a book I wouldn't a tackled it and I ain't agoing to no more. But I reckon I got to light out for the Territory ahead of the rest, because Aunt Sally she's going to adopt me and sivilize me and I can't stand it. I been there before."
